

END-TO-END RENTING PLATFORM

FUNDRAISING 2019

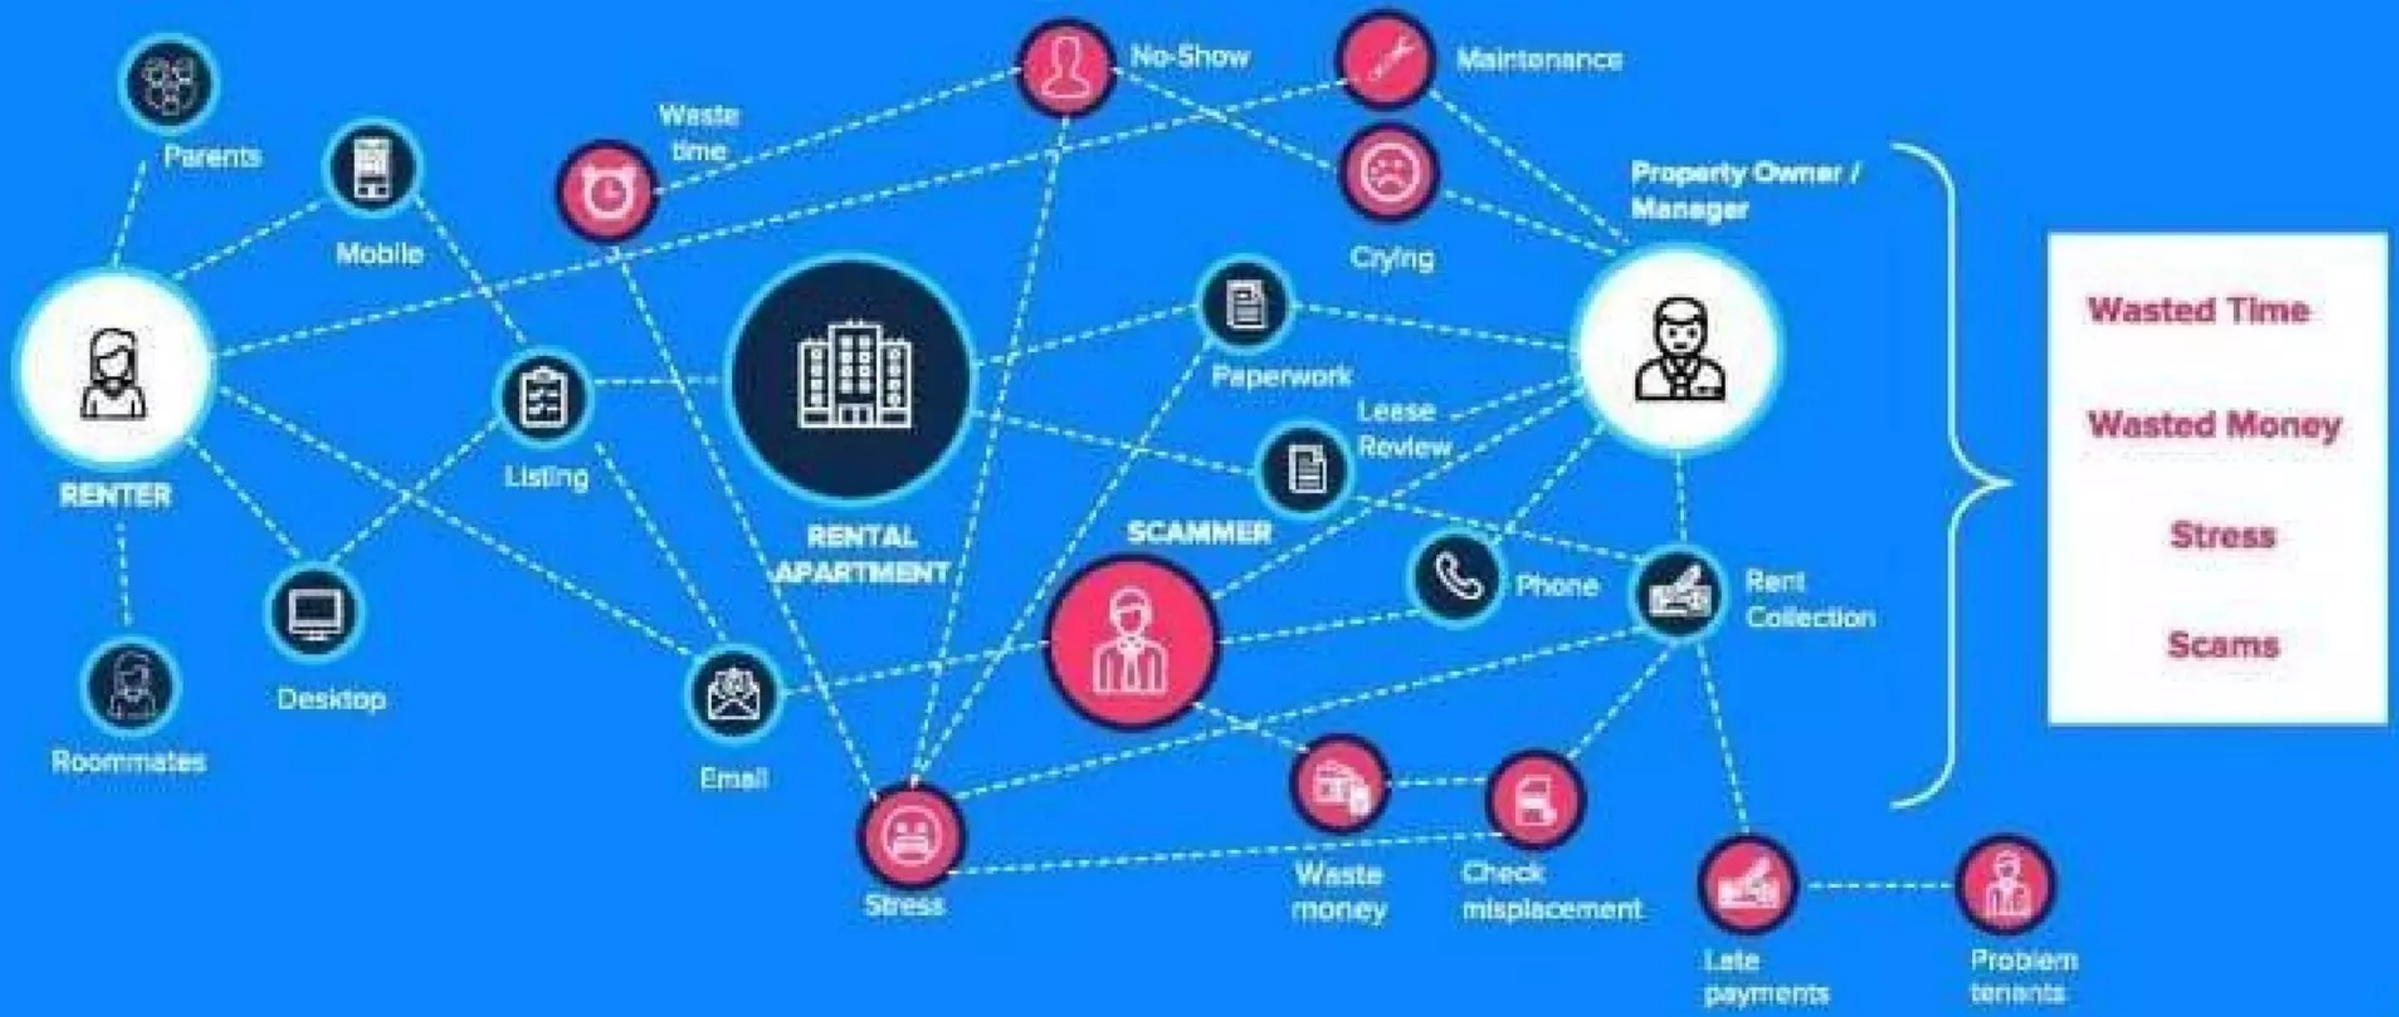

Proprietary and Confidential

SOFTWARE IS GREAT, BUT
NOT IN THE RENTAL MARKET

RENTERS & OWNERS / PROPERTY MANAGERS
USE SEVERAL TOOLS

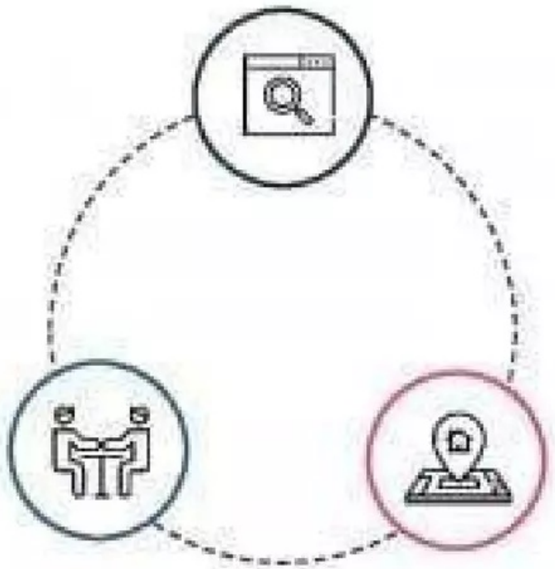

WHICH RESULTS IN RENTING TODAY...

Proprietary and Confidential

So, we created the first **end-to-end renting platform** to **enhance the rental experience**

By combining a **rental listing search platform**, a **property management software**, and **accounting tools** we streamline the way renters and owners and managers work together for the entirety of the renting lifecycle.
