#nomorespreadsheets

THE BIGGEST PROBLEM FACING ECOMMERCE TODAY

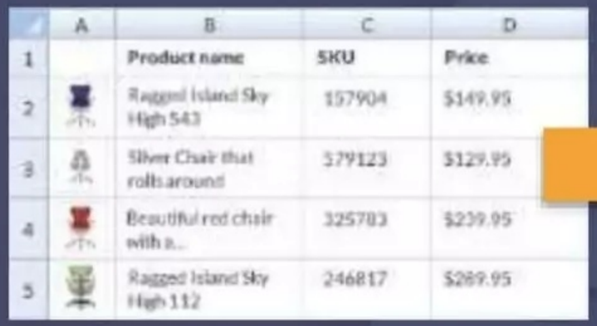

90% of the world's vendors use spreadsheets to share information about their products with their retailers.

Humans converting spreadsheets into product records is expensive, creates errors and delays ecommerce sales.

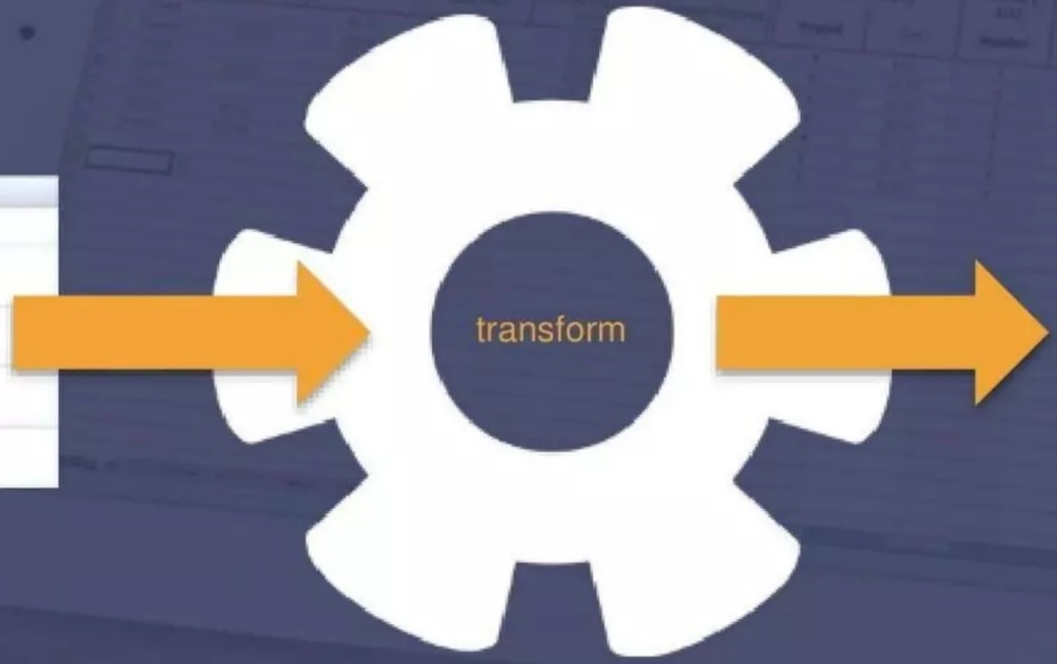

founders@venzee.com

THE SOLUTION

Venzee turns spreadsheets into real-time integration so companies like Staples can add products and updates to their online store in seconds.

	A	B	C	D
1		Product name	SKU	Price
2		Ragged Island Sky High 543	157904	$149.95
3		Silver Chair that rolls around	579123	$129.95
4		Beautiful red chair with a...	325783	$239.95
5		Ragged Island Sky High 112	246817	$289.95
