Employee Engagement

Happy Customers

Some of Customers We are Helping Today

"Quinyx has helped us reduce the time it takes to create our rosters by 50% as well as helping us process them far quicker than we could before."

Michelle Trust, LONDON CITY AIRPORT

“Introducing a web-based system has made a big difference and we’re so pleased. I highly recommend Quinyx to retail chains that have a lot of staff and want a smoother scheduling process.”

Tomas Andersson, GANT

The Impact Of Employee Engagement

$7

trillion dollars per year lost to businesses with disengaged employees

70%

employees that don't respond to annual surveys

89%

of HR leaders agree ongoing check-ins are key for success

21%

increase in productivity from engaged employees

Set Up For Growth
