snap commerce

Pitch Deck

Growth Round

We are changing the way
people shop on their phones

In 2021, Snapcommerce will cross
over $1bn USD in total mobile sales

Customer Problem

Instead of shopping around, we make finding the right item at the right price as easy as sending a message to a trusted friend.

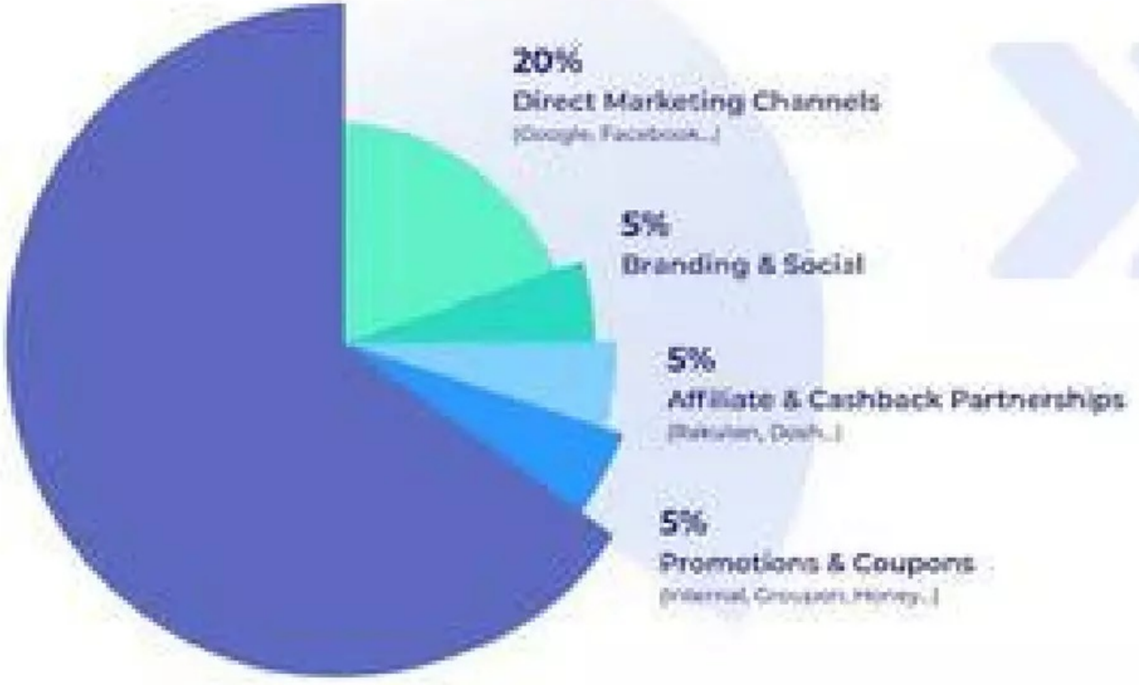

Merchant Value

Cutting out marketing and promotional costs.

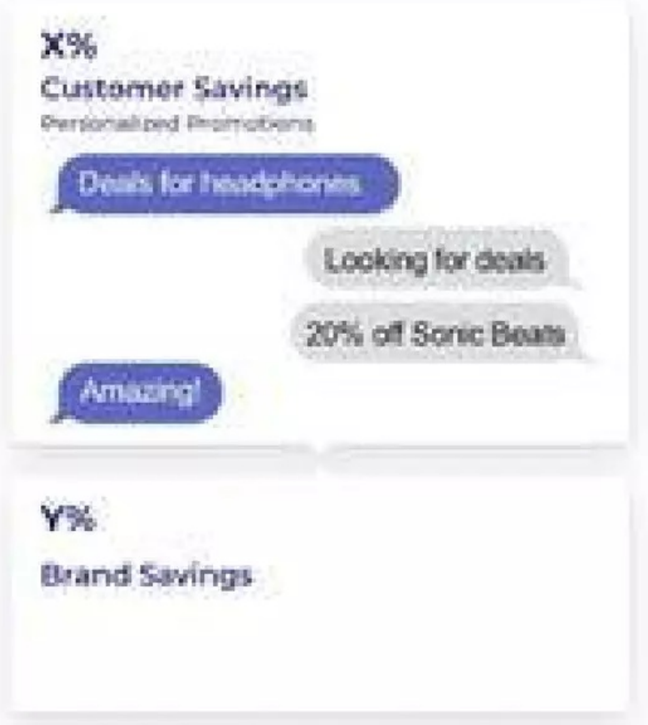

Current

Merchants typically pay ~35% for marketing and promotions

Snapcommerce

Merchants can pass these savings directly to customers over 1:1 messaging
