#work

- [ ] afternoon conference call with Jill → tomorrow set reminder
- [ ] invoice for the real estate company 99 7 pm
- [ ] thank you note for Hank from the conference today
- [ ] show how Basecamp sync works

#home + add

- [ ] get the Paramore concert tickets
- [ ] fix the boiler
- [ ] find a great place in Europe to spend spring vacation with the family (ask **Tim**)

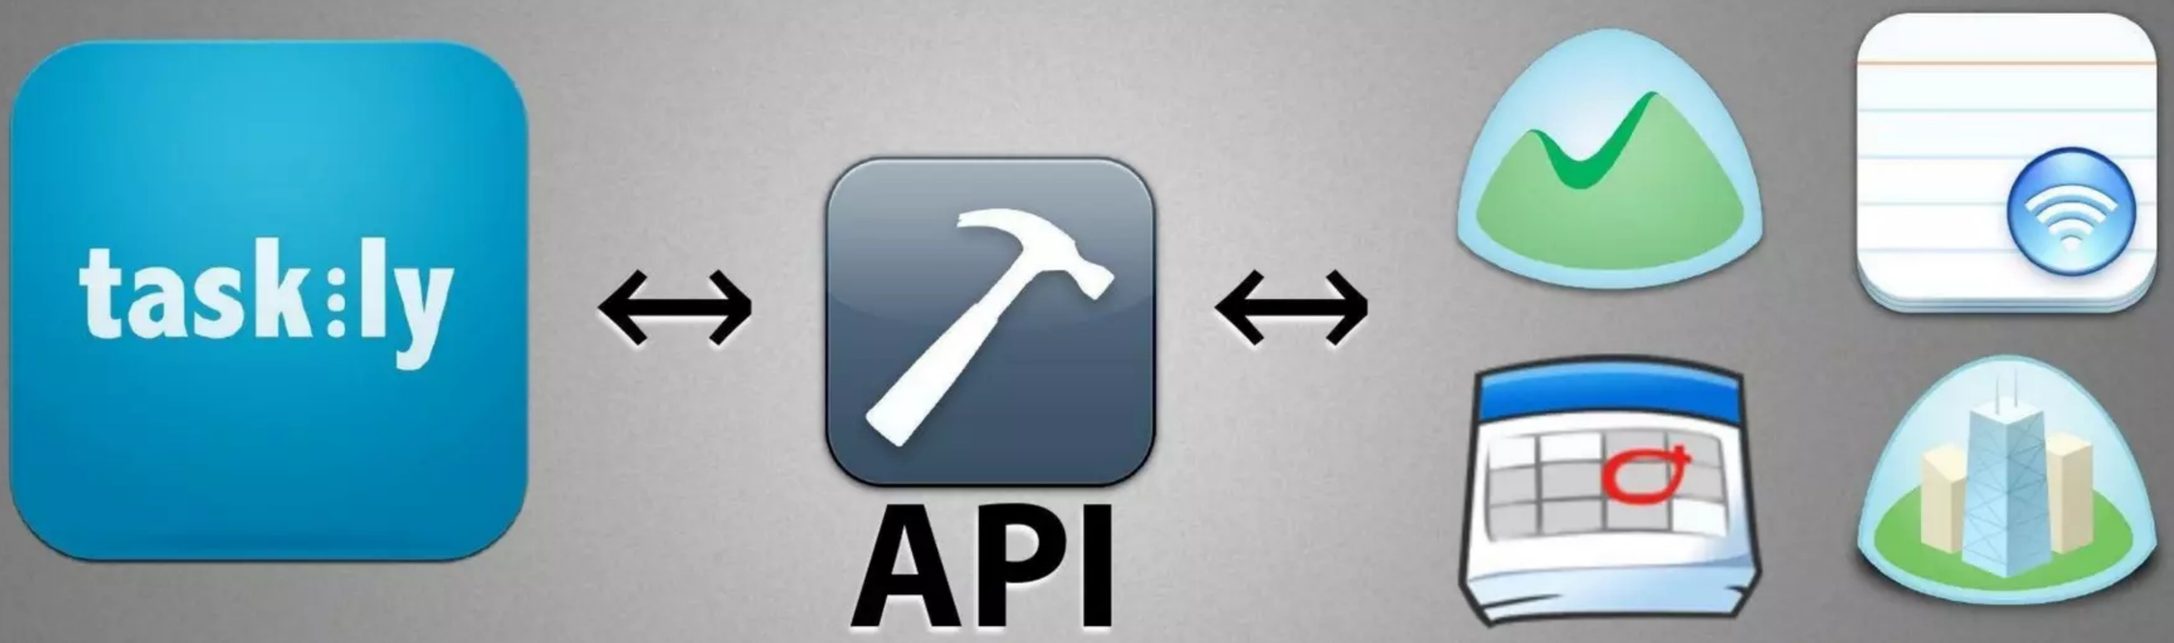

here's a tip:

Ran out of tags? To create a new empty tag (e.g. #urgent), just type '#urgent' in the command line and press enter. Pretty great, huh?

I went to nothern France last summer with Mike. Absolutely loved it!

Mike Blank

Yep, the place is stunning. Here, I've attached a photo if you wanna take a look.
