MVMT

"There's so many different nuances to influencer marketing from the beginning of the campaign until the very end on the individual influencer level and the macro campaign level you truly do need a software that helps streamline it."

Ethan Frame

Director of Influencer Marketing

darn good yarn

"I think one of the really awesome features in GRIN functionality-wise and visually is when you log in and get to see a page full of all your Instagram content or any content that's produced."

Keri O'Brien

Director of Marketing & Sales

GRIN

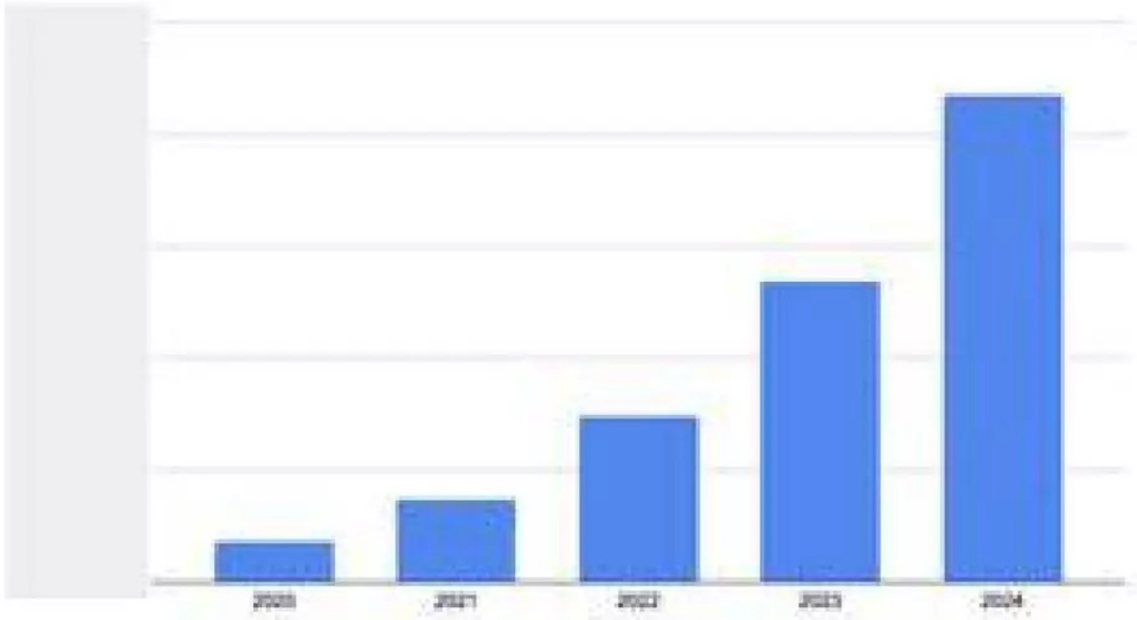

With many untapped verticals to drive further scale
