
The World's Most Powerful Tax Credit & Incentive Platform
incentify

Our Greater Purpose

Incentify Clients are reaching significant business and societal goals simultaneously through C&I.

- $22B+ in C&I on Incentify
- 264,000+ jobs at a $60,101 avg salary
- $10B+ in local taxable revenue
- 400+ factories, films, and HQs
- 3,400 formerly incarcerated put back to work
- 1.1 million tonnes of C02 diverted

A New Golden Ratio

$$\frac{\text{(C\&I in \$\$)}}{\text{(CapEx in \$\$)}} = \Phi$$

The Slumbering Giant

"The issuing Agency's approvals included up to nearly $6.2 billion in potentially reimbursable eligible costs with $223 million actually claimed."

From June 2020 South Carolina Legislative Audit Study.

aws

Wolters Kluwer

box

IBM Watson

Significant Challenges

The void in centralized technology has led to critical issues

Invisible to the C-Suite

Lack of confidence in the asset

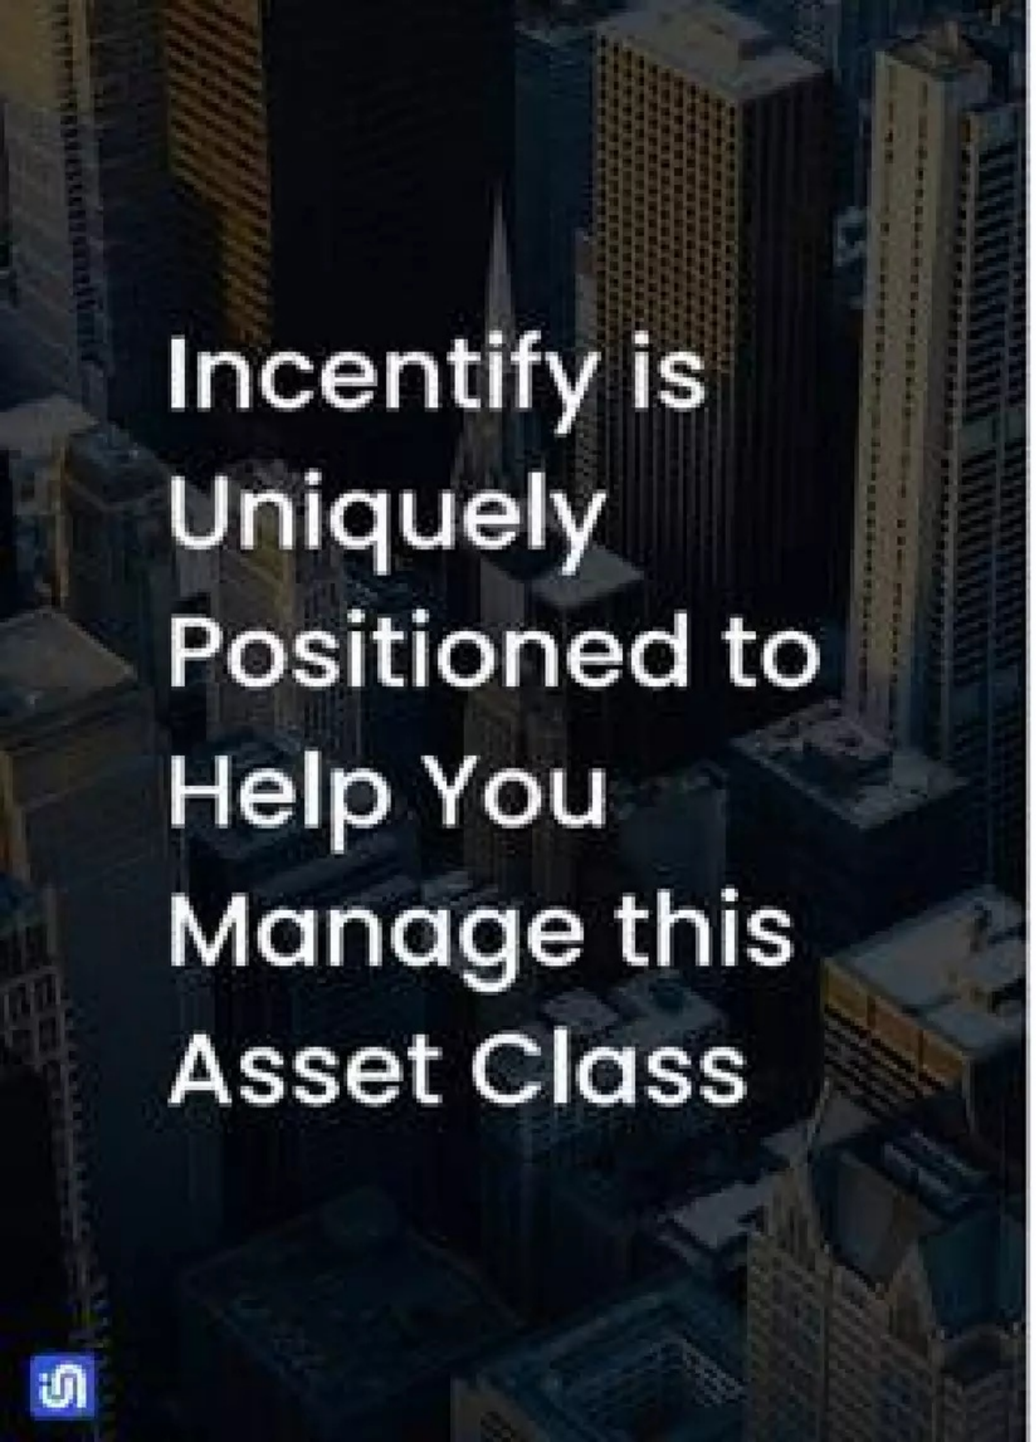

Suboptimal or passive new C&I discovery

Ineffective and inefficient compliance

Errors from manually intensive systems

De-centralized and fractured workflows

Missed deadlines and loss of knowledge

Incentify is Uniquely Positioned to Help You Manage this Asset Class

Discovery
Drive site selection and uncover new opportunities

Centralization & Standardization
Consolidate and standardize data and history

Workflow & Compliance
Standardize processes and ensure compliance

Team Collaboration
Internal and external teams working together

Analytics & Reporting
Robust analysis tools to decipher and report activity

Key Value Drivers

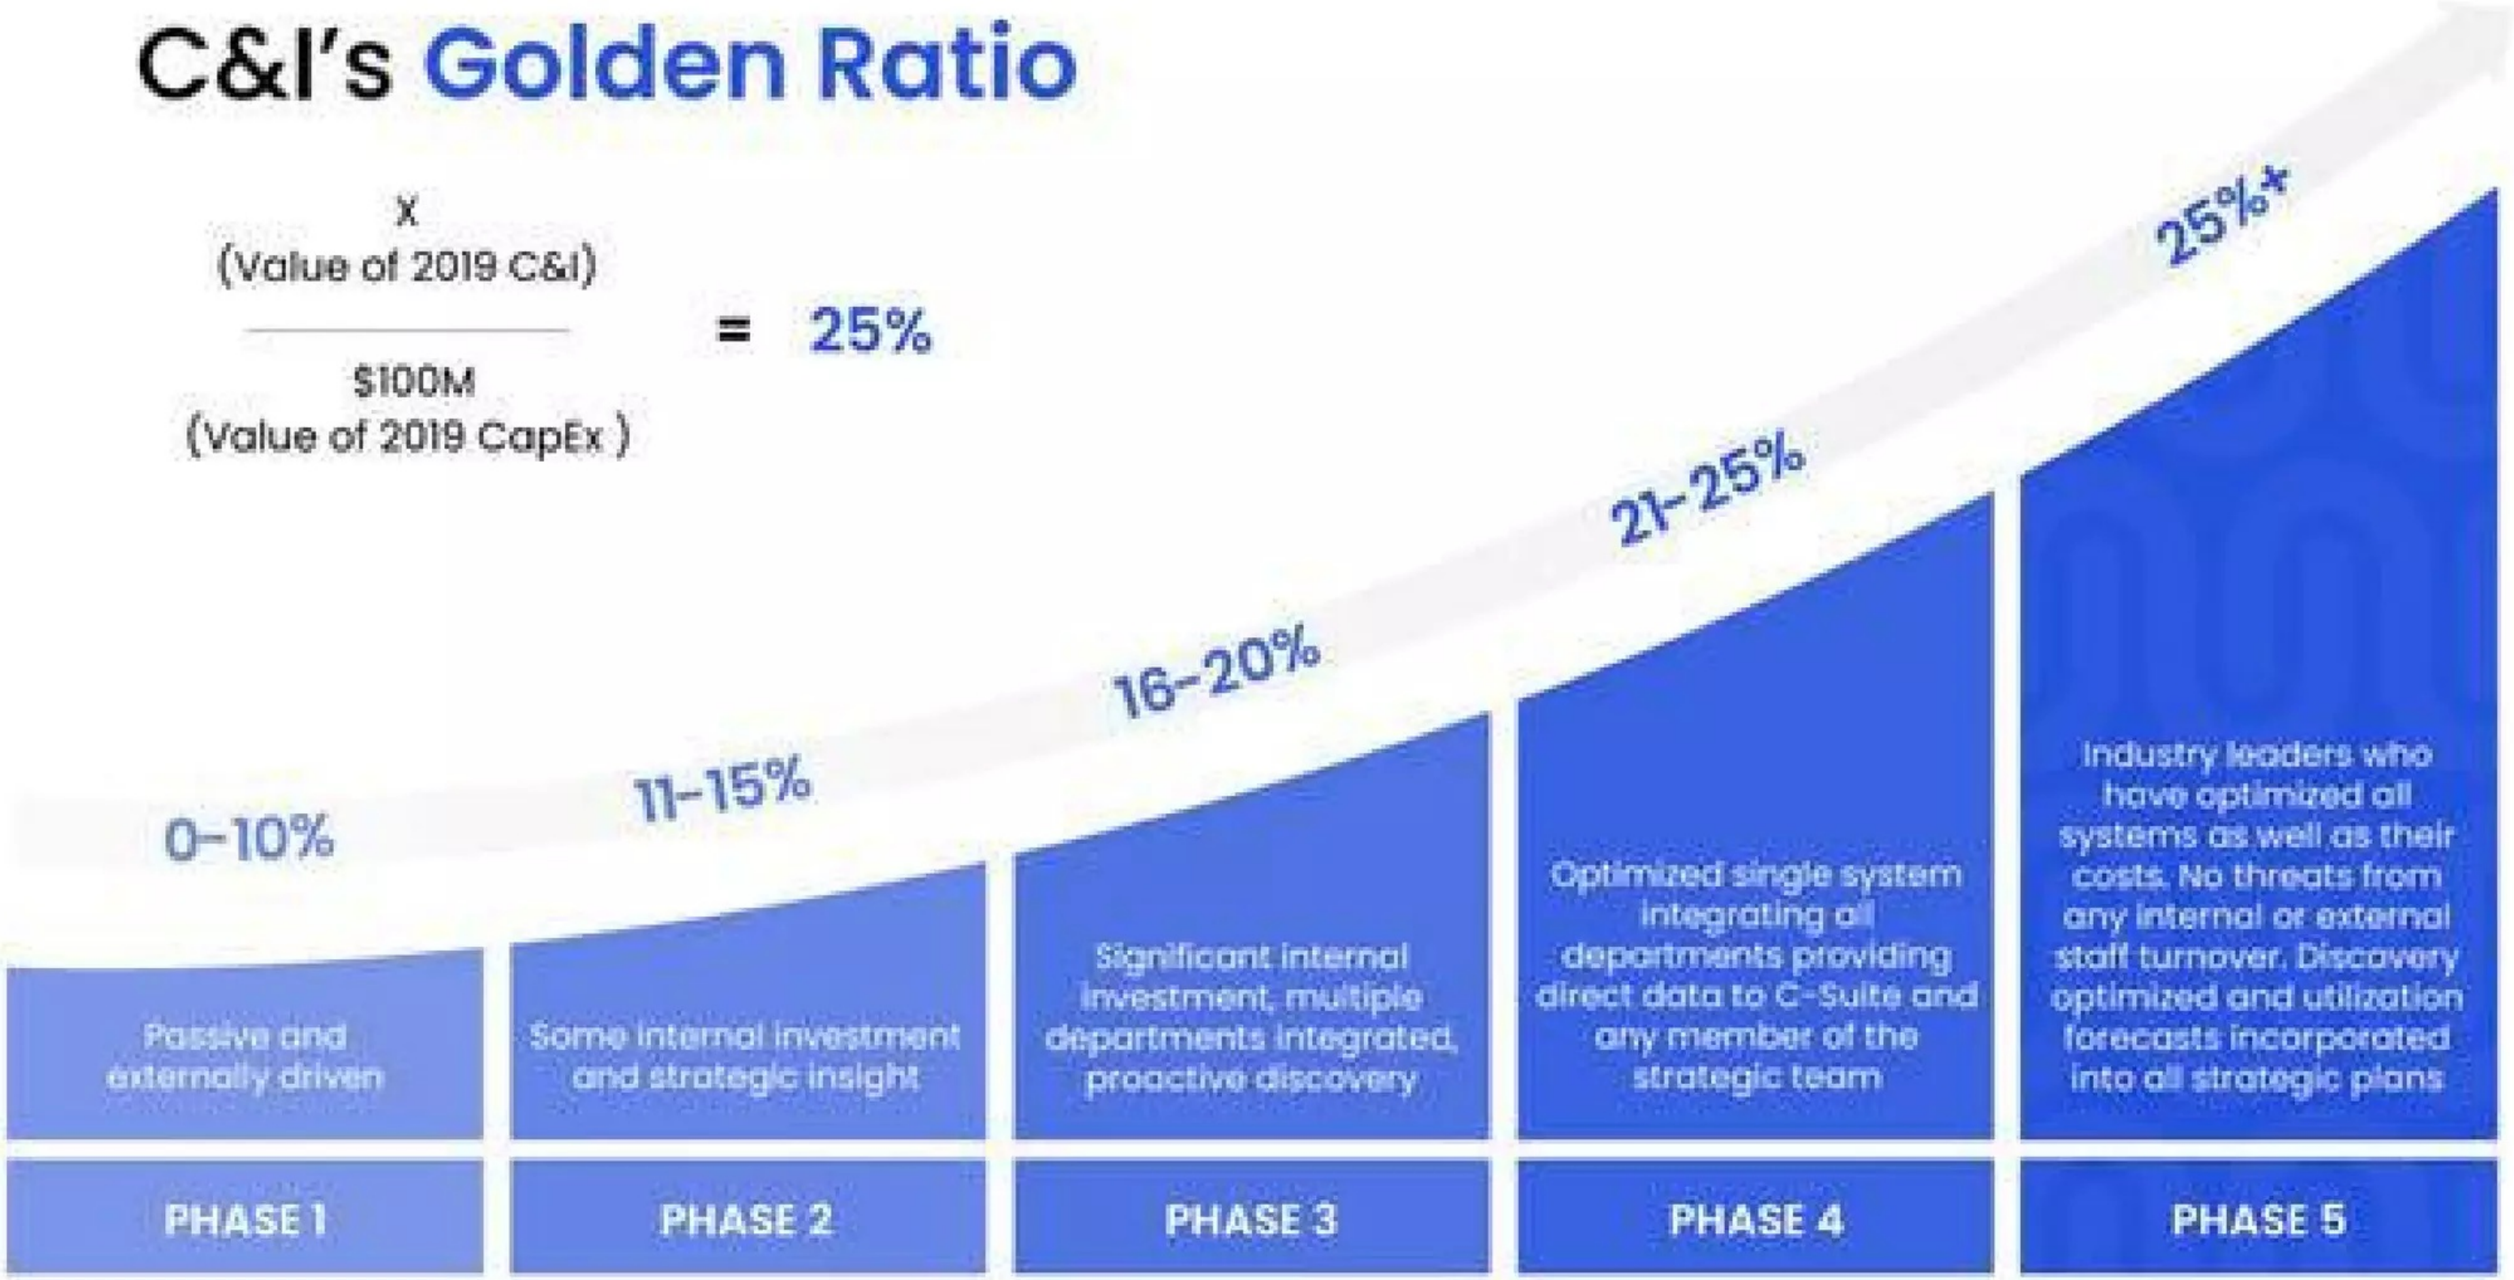

Incentify Client averages, extrapolated and anonomized to $100MM in C&I to show ~ 6.5% benefit

C&I's Golden Ratio

$$\frac{\text{X}}{\text{(Value of 2019 C\&I)}} = 25\%$$

$$\frac{\$100\text{M}}{\text{(Value of 2019 CapEx)}}$$
