The Problem is Getting Worse

1 million

Nurses short by 2024
in the US

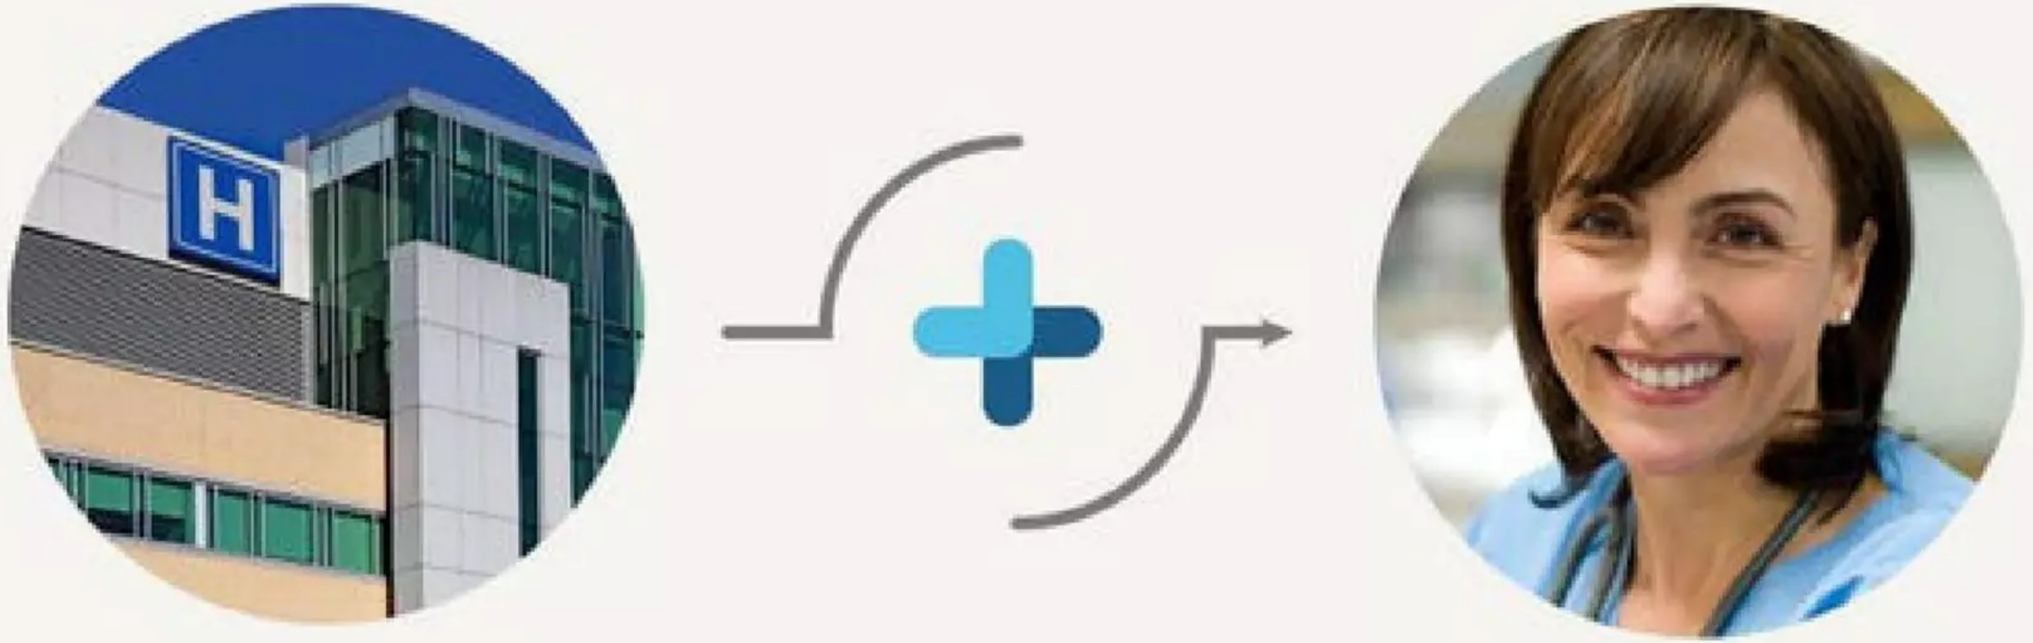

82 days

Average time to hire
a nurse

Sources: US Bureau of Labor Statistics 2017, CareerBuilder Most In Demand Jobs in 2017

The Solution

Employers apply to candidates, instead of the other way around… nurses love it.

Hire permanent nurses in less than 30 days

- Days to fill less than 30 days vs 82 day national average
- 25X more efficient that traditional job boards
- NPS scores from talent & employers: 86+

Had smooth and great professional time working with this company to find a new job!

David Jones
CHRO, Stanford Health Care

"To do our best work, we need to have the talent to deliver quality care to those in need.

With the ongoing shortage, it's taking our team longer than we'd like to find the ideal specialized experienced candidates.

With Incredible Health, we consistently hire in permanent roles in under three weeks."
