JUKED

The New Home for Esports Entertainment

The esports industry is **booming**

Esports Viewers (Millions)

Esports Revenues (Billions)

Ben Goldhaber – ben@juked.gg

Source: Newzoo, 2019

44 million concurrent viewers watched the 2019 LoL World Finals
More than 2x 2019 NBA Finals Game 6

But there’s a problem...

The esports industry is **highly fragmented**.

This makes following esports **difficult** & **time consuming**

Streaming Platforms

twitch YouTube mixer facebook gaming caffeine

Standings, Stats, & Rosters

HLTV gg smash.gg GOSU GAMERS liquipedia strafe UPCOMER

News & Discussion

DISCORD DEXERTO theScore ESPORTS

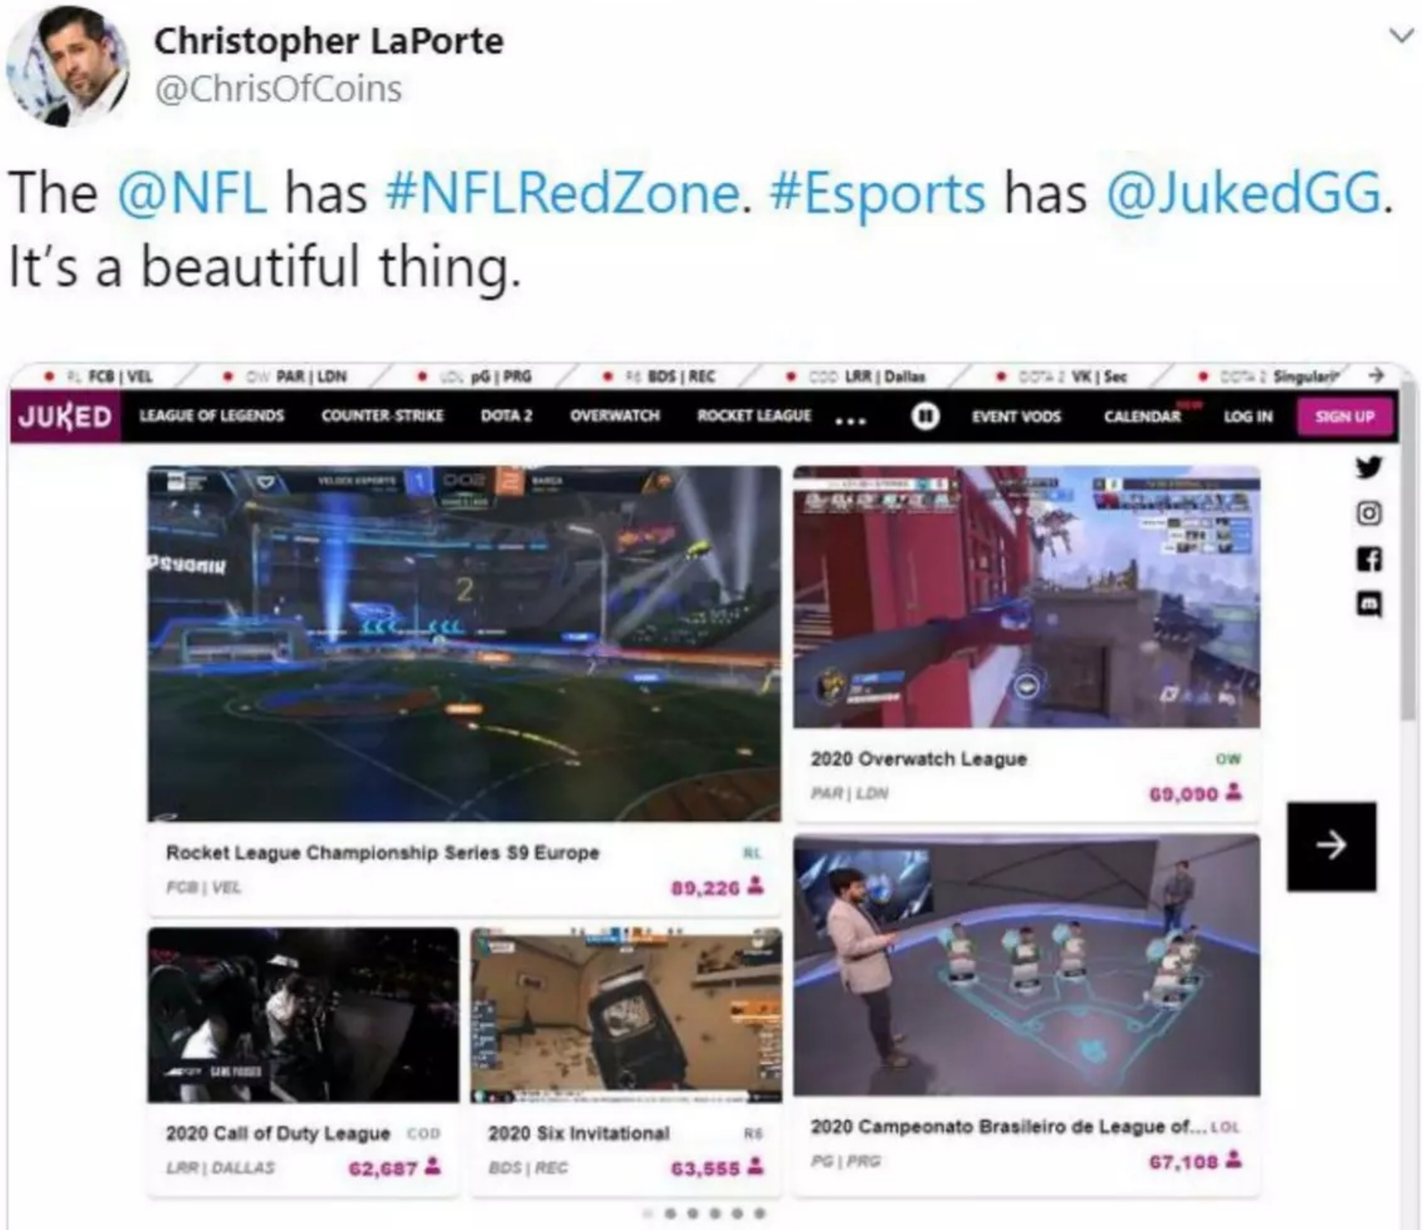

We've developed the **solution**

Juked bundles **everything** esports fans need into a single destination.

Curated by user preferences

And so far, the esports community **loves us**

Traction

Since launching in September, we've grown from **750** to **25,000** MAU. That's an average of...

131%

Monthly User Growth
