Kahoot!

FOR A BETTER EDUCATION

Present to you by Mrs Lily Lee
http://ezitnew.blogspot.com

Kahoot!

Kahoot is very similar to Socrative as a free online assessment tool.
The element of gaming is stronger as the player is given a score based on accuracy and speed. As there are more students who own smart phones nowadays, using Kahoot to do a quick check on understanding with the element of game will definitely engage the students.

Kahoot!

Pros:

- Engaging and students love it!
- Easy to use.
- Real time results.
- Able to download results for analysis.

Cons:

- Only MCQ
- Requires each students to have a internet-capable device
- Shows the question only on teacher computer
- Game pin show up late at times
