

KiteReaders

platform for publishers and authors to produce, distribute & market children's eBooks

kitereaders.com | angel.co/kitereaders | founders@kitereaders.com

Market Problem

CREATION	DISTRIBUTION	MARKETING
Children's picture eBook format is complex & differs by retailer	Several distribution points & the submission process differs by retailer	eBook discovery is hard since each retailer has 2M+ titles in the store

Children's books a $6B market in USA alone!
Only 2% of children's print books are digitized today!
