CTO @ DoubleDutch
Sr. Engineer @ Microsoft
Founder @ MobileSRC
ECE from Cornell University

6 million credit-worthy households should be homeowners, but aren't

THE SOLUTION

Divvy enables fractional homeownership

1. Tenant picks out the home
2. Divvy purchases it for them
3. Tenant buys out our equity position over time

Sharing of equity creates alignment between Divvy and the tenant

TECHNOLOGY

Technology is core to enabling fractional homeownership

PRICING

Rent Optimization
Home Appreciation

UNDERWRITING

3-Year Mortgage Ready

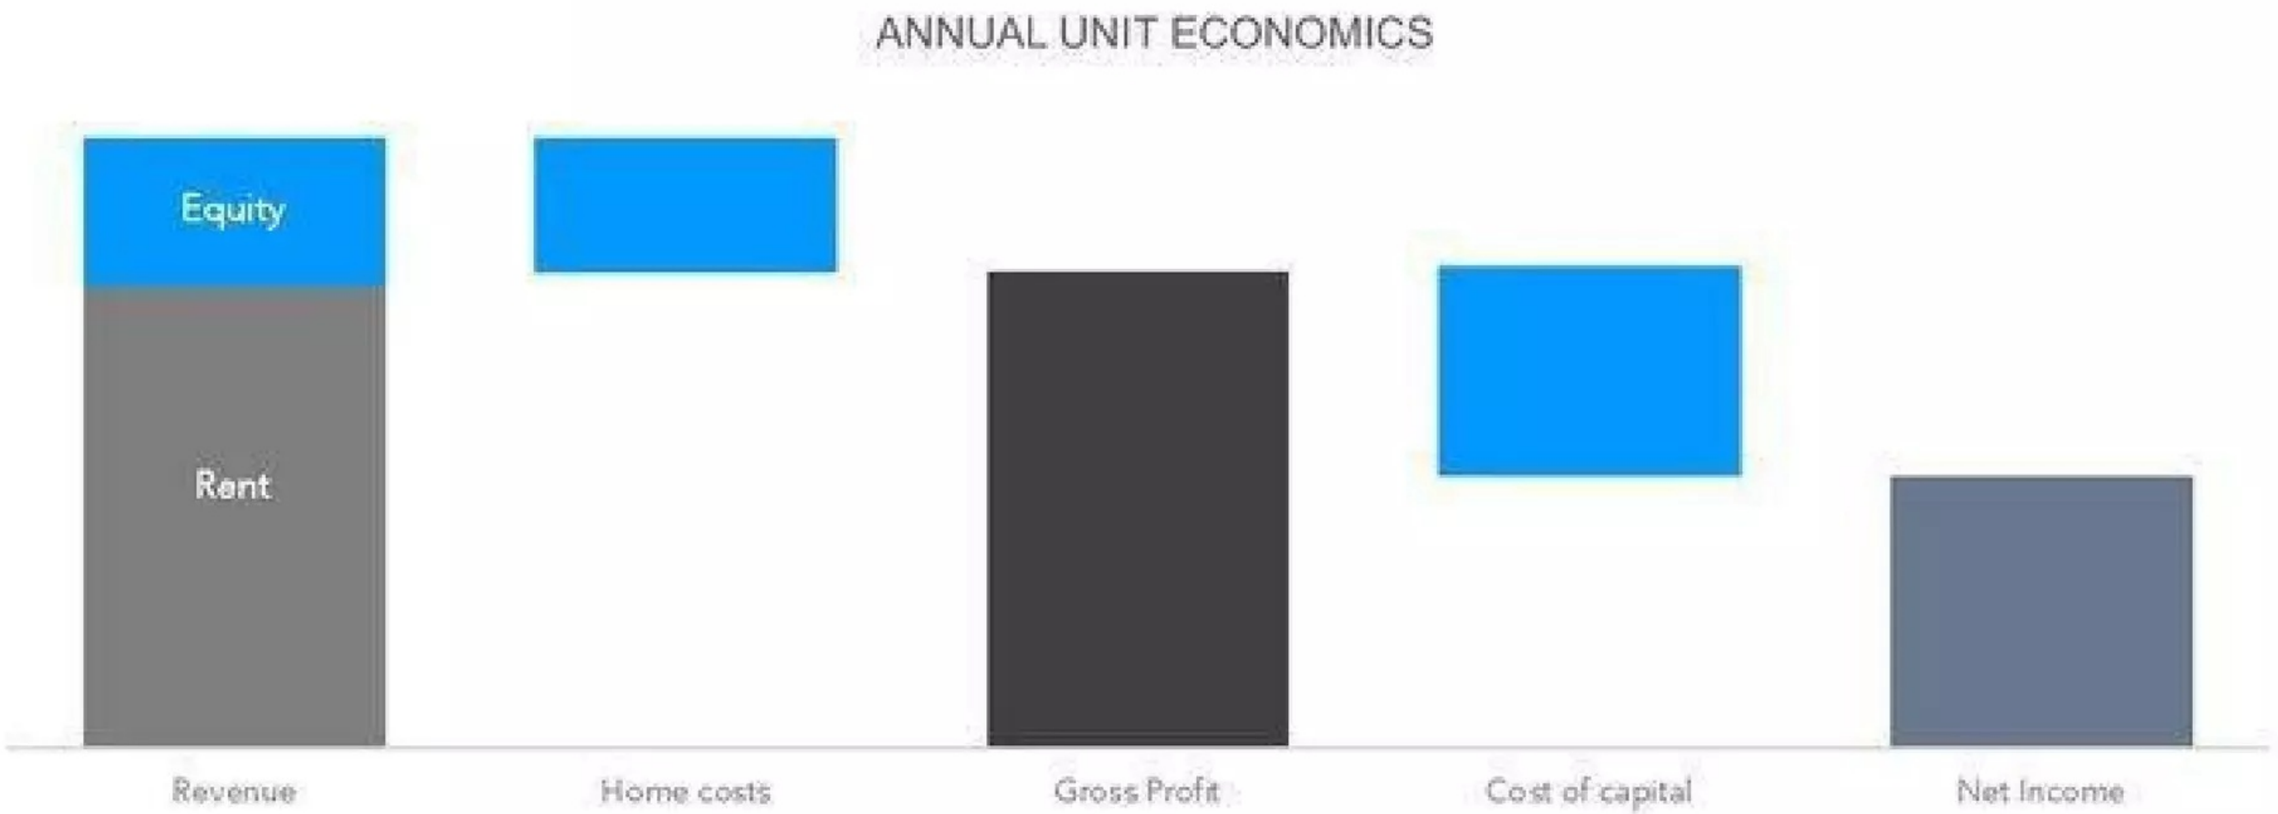

OPERATIONS

Offer Automation
Quick Closings
Ledger / Cap Table
