

CONFIDENTIAL. SEPTEMBER 2018

Mission

dv01

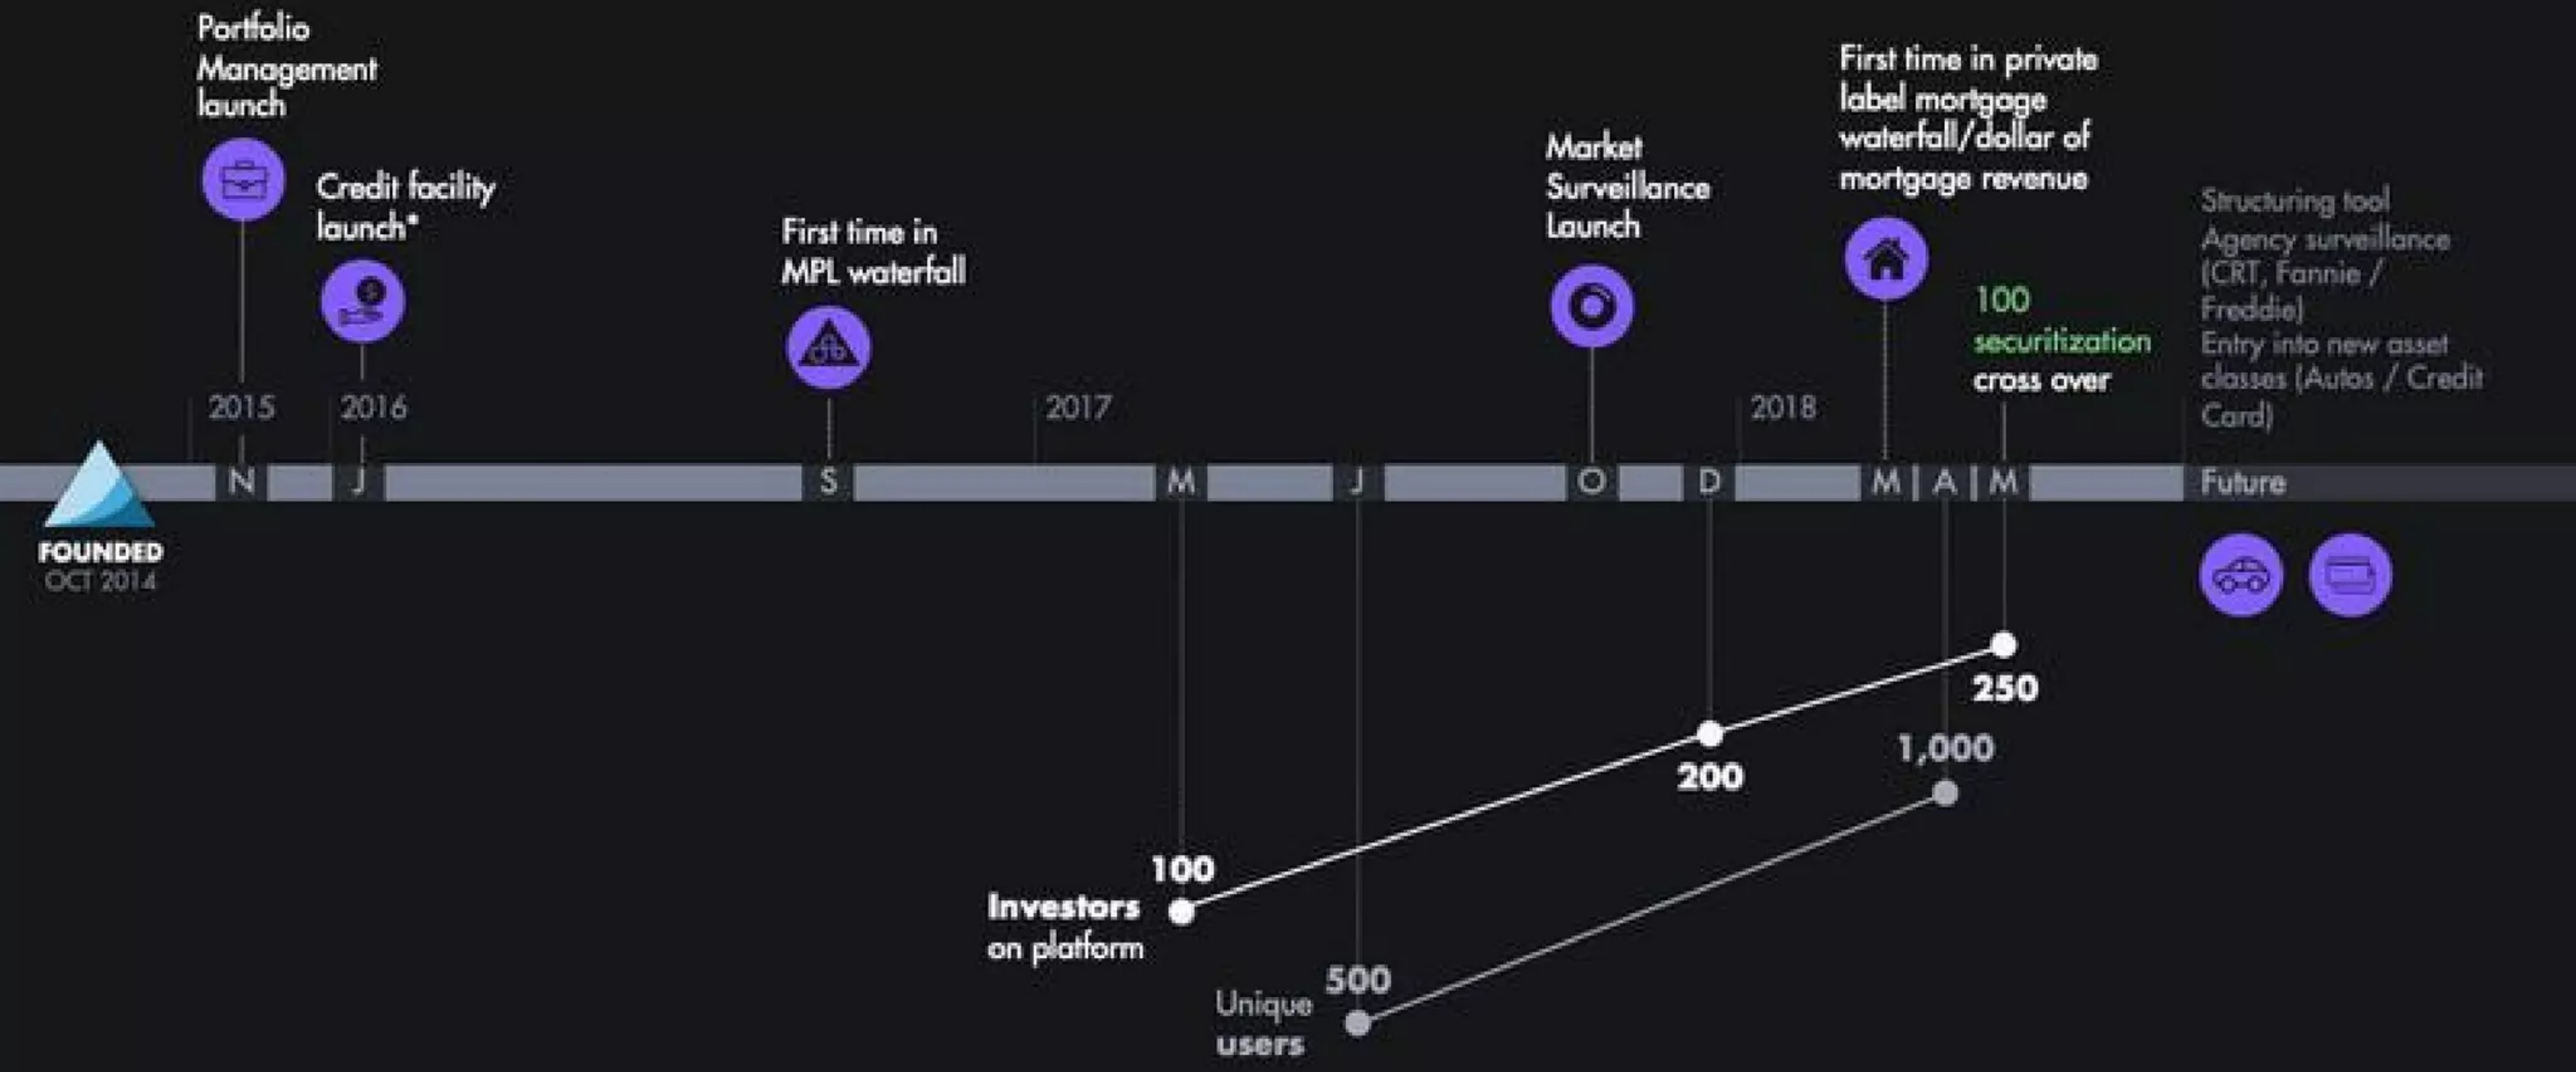

To modernize the world's fixed income markets through technology and deliver all stakeholders an incredible user experience that values transparency, efficiency, and intelligence

CONFIDENTIAL SEPTEMBER 2018

dv01's Success Since Inception

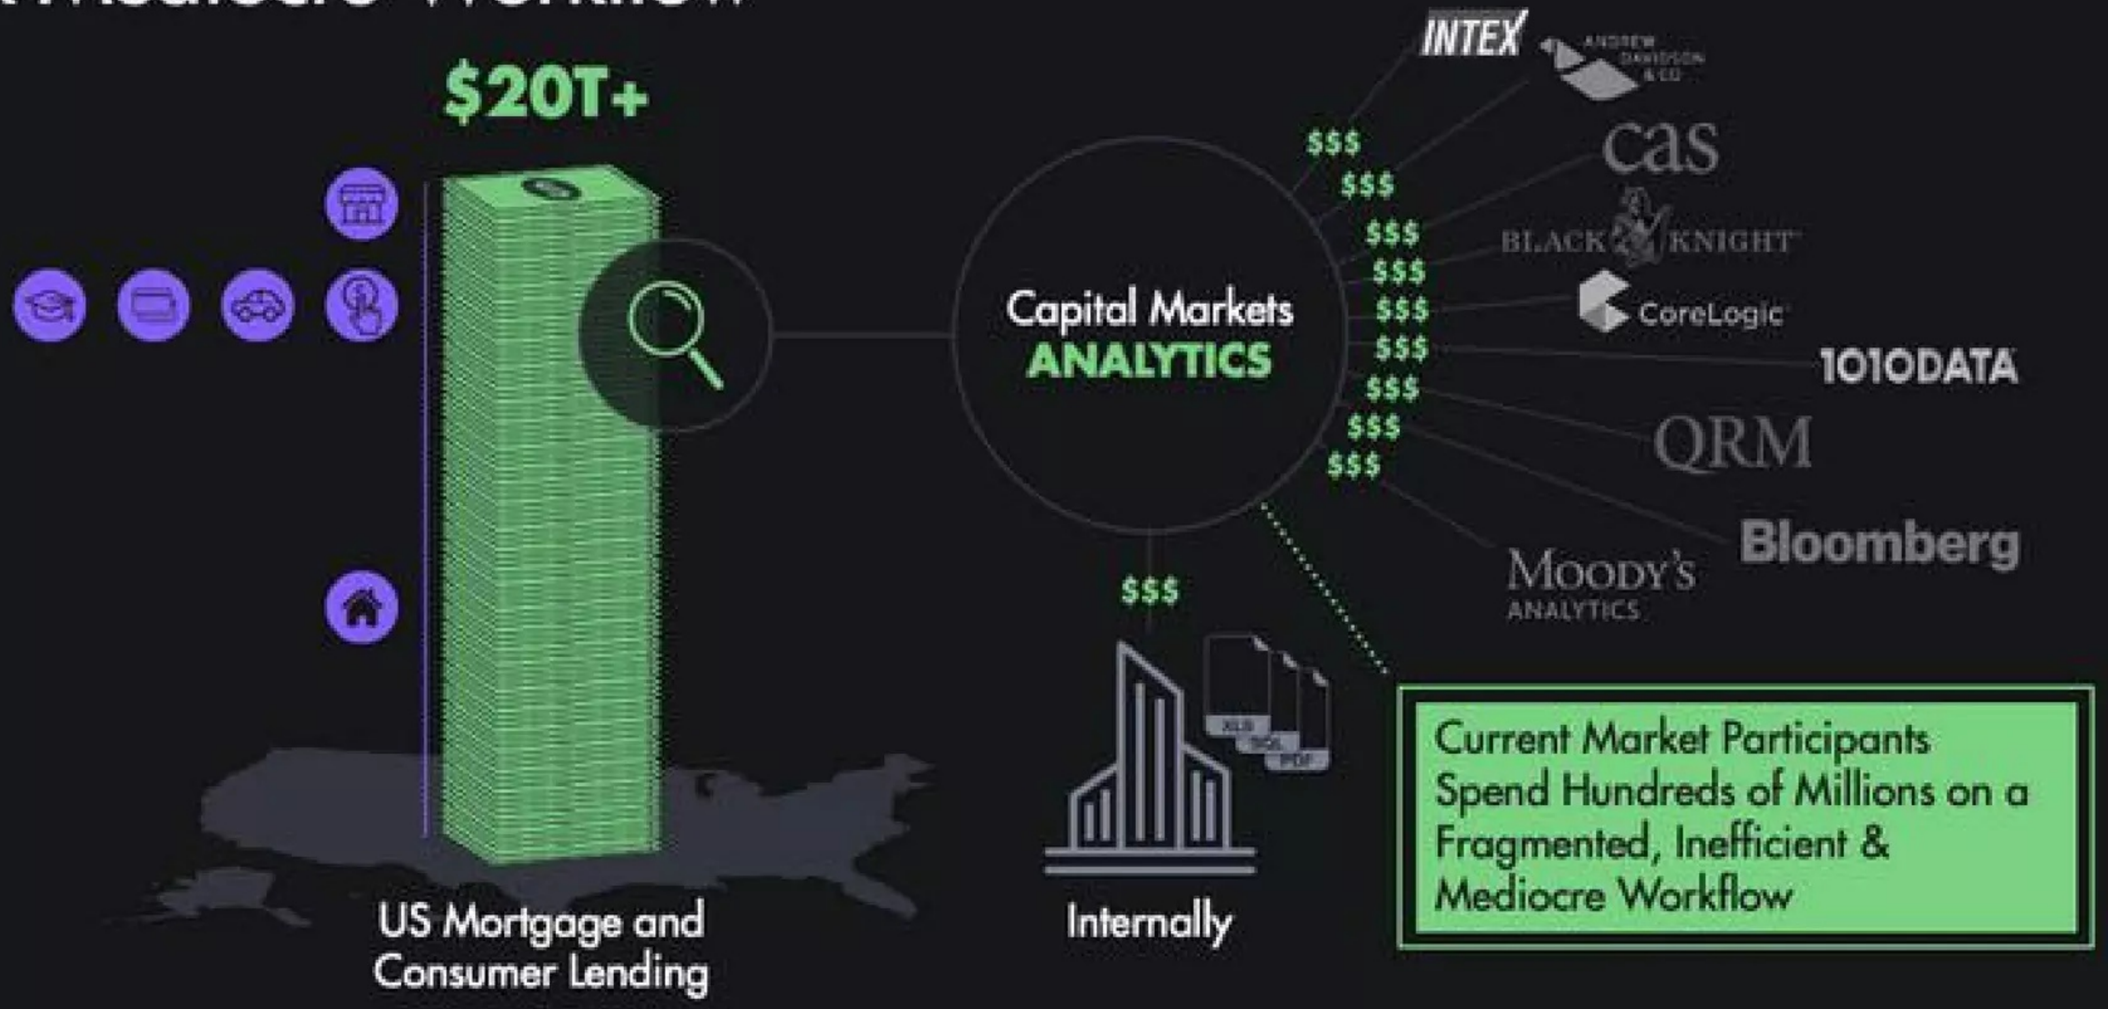

dv01

CONFIDENTIAL. SEPTEMBER 2018

OPPORTUNITY

$20T+ Market is Underserved with a Fragmented, Inefficient & Mediocre Workflow

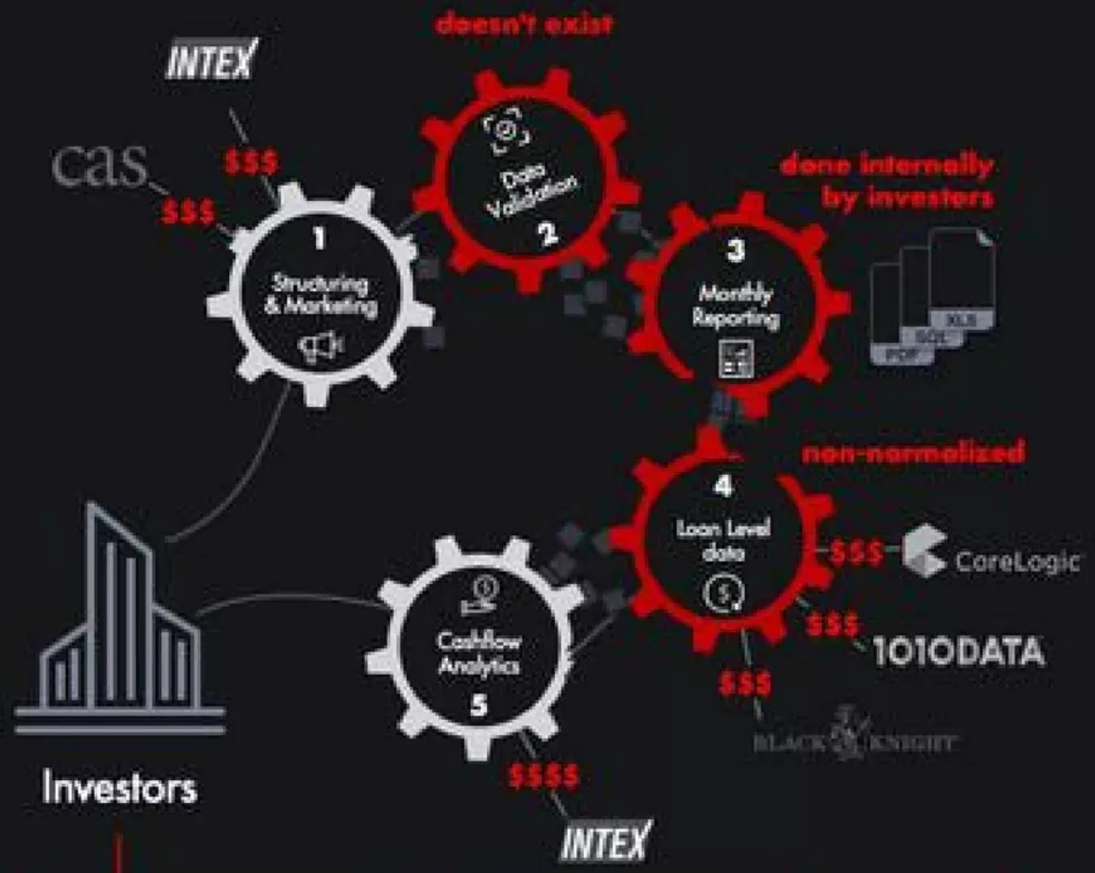

Sources: Federal Reserve Mortgage Debt Outstanding; NY Fed Household Debt and Credit Microeconomics Center; Harvard Business School Working Paper State of Small Business Lending as of 2016

CONFIDENTIAL. SEPTEMBER 2018

PROBLEM

Current process is broken for the Capital Markets Ecosystem in Securitized Products

dv01

Fragmented and Inefficient Workflow with Costs that Exceed Millions

One Solution for the entire lifecycle of the underlying collateral

CONFIDENTIAL. SEPTEMBER 2018

dv01's 3 Step Plan for World Domination

dv01

Win over the trust of the capital markets as the data, reporting and analytics hub for online lending by providing them with superior technology and an incredible user experience

Online lending

Convince investors to push us into other asset classes they invest in

Mortgages • Autos • Student Loans • Credit Cards

Leverage our superior data and technology advantage to expand our offerings and own the entire workflow

Additional SaaS offerings and market intelligence

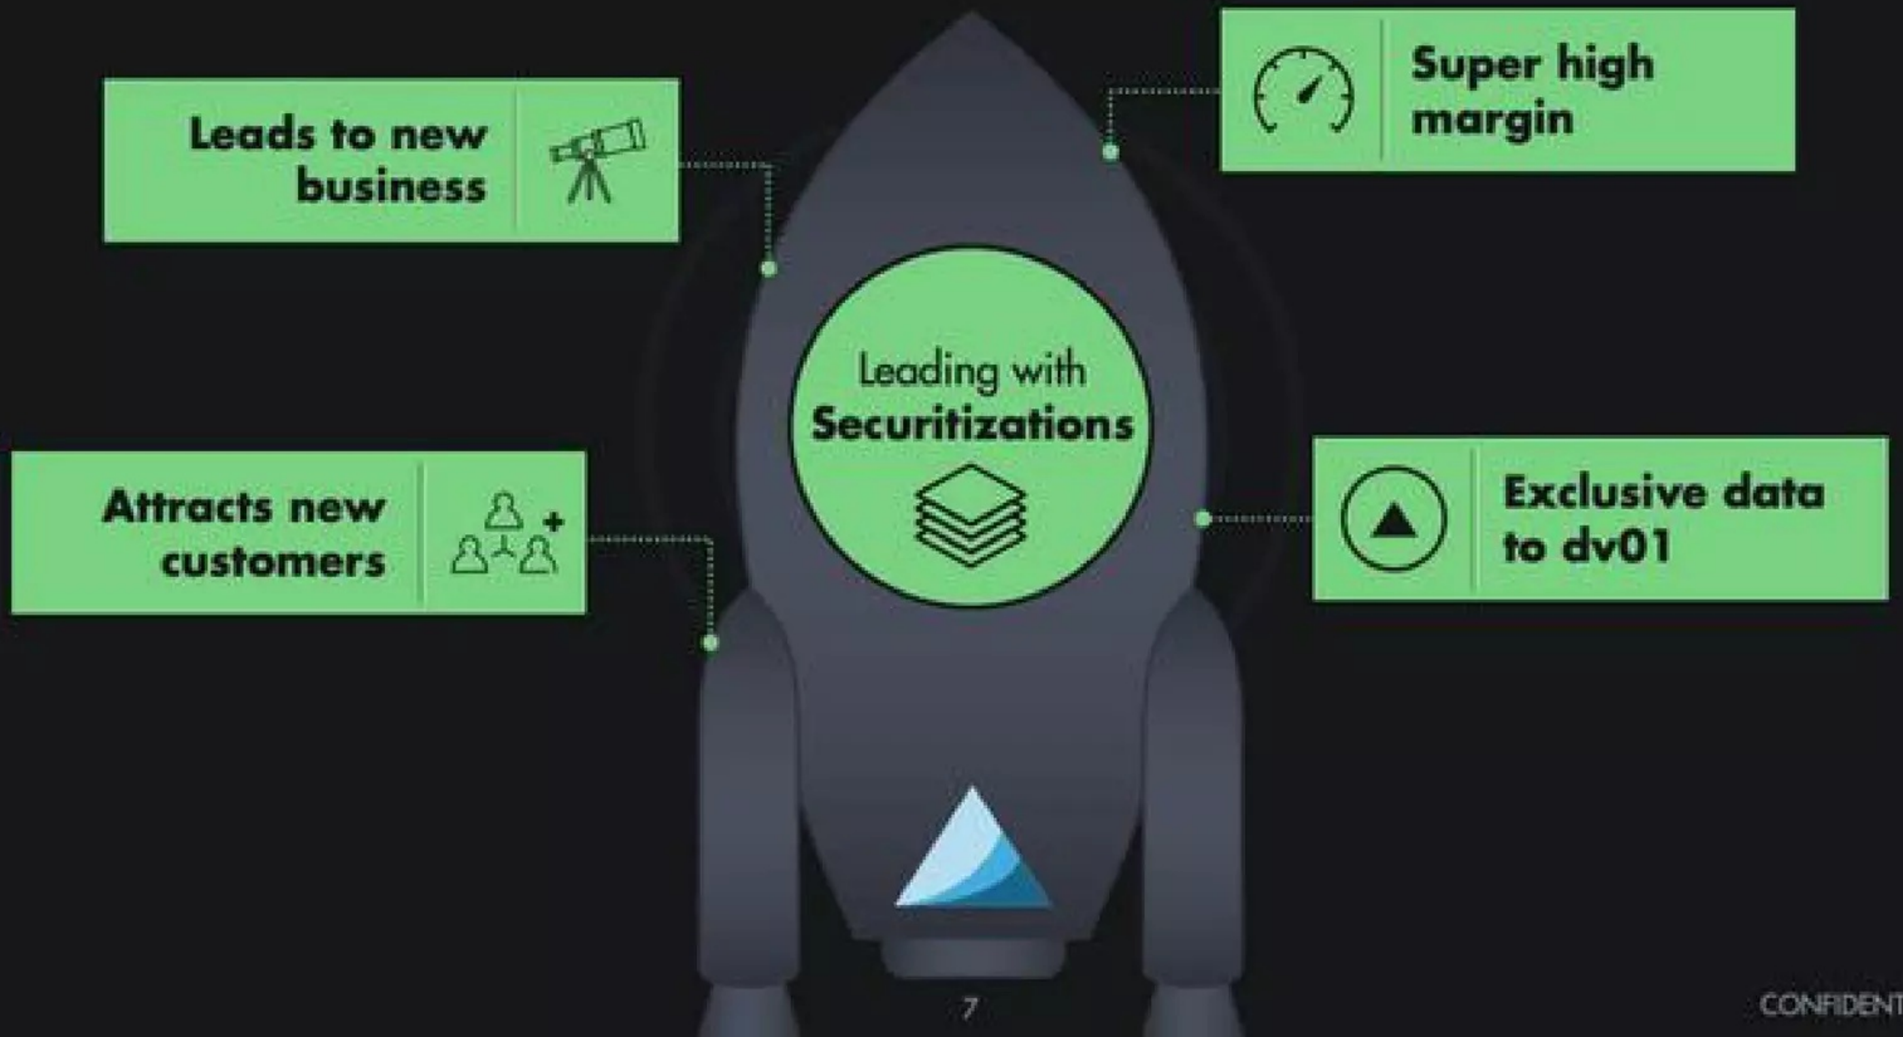

Incredible **UX**

Superior **Technology**

Cost **Effective**

CONFIDENTIAL. SEPTEMBER 2018

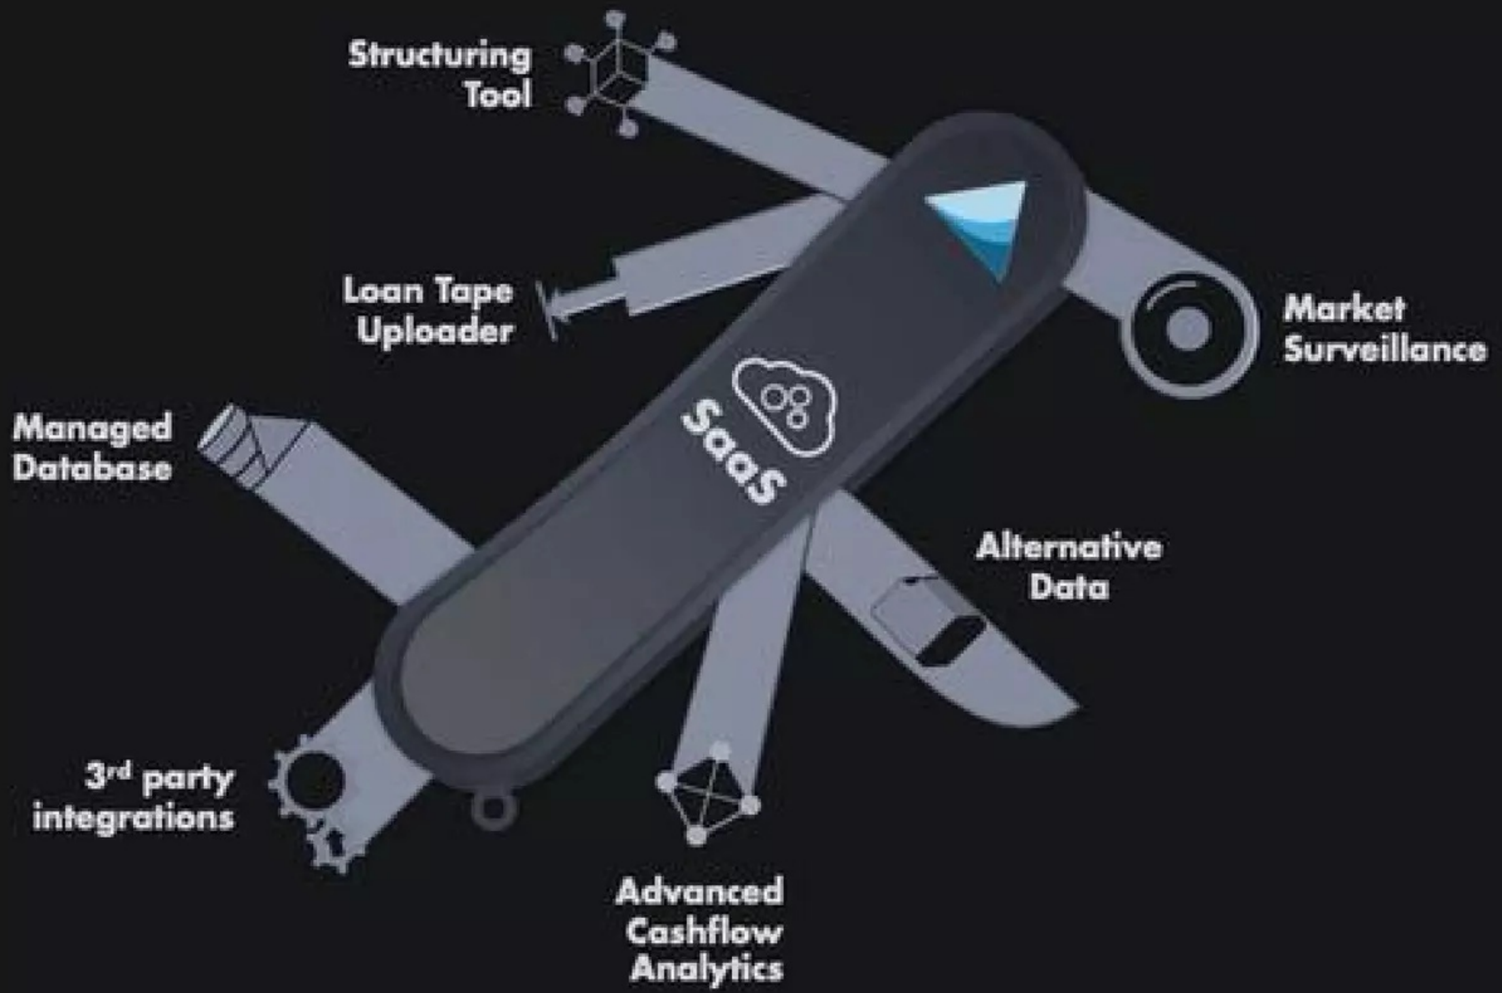

Total domination of online lending

CONFIDENTIAL SEPTEMBER 2018

Own the Entire Workflow

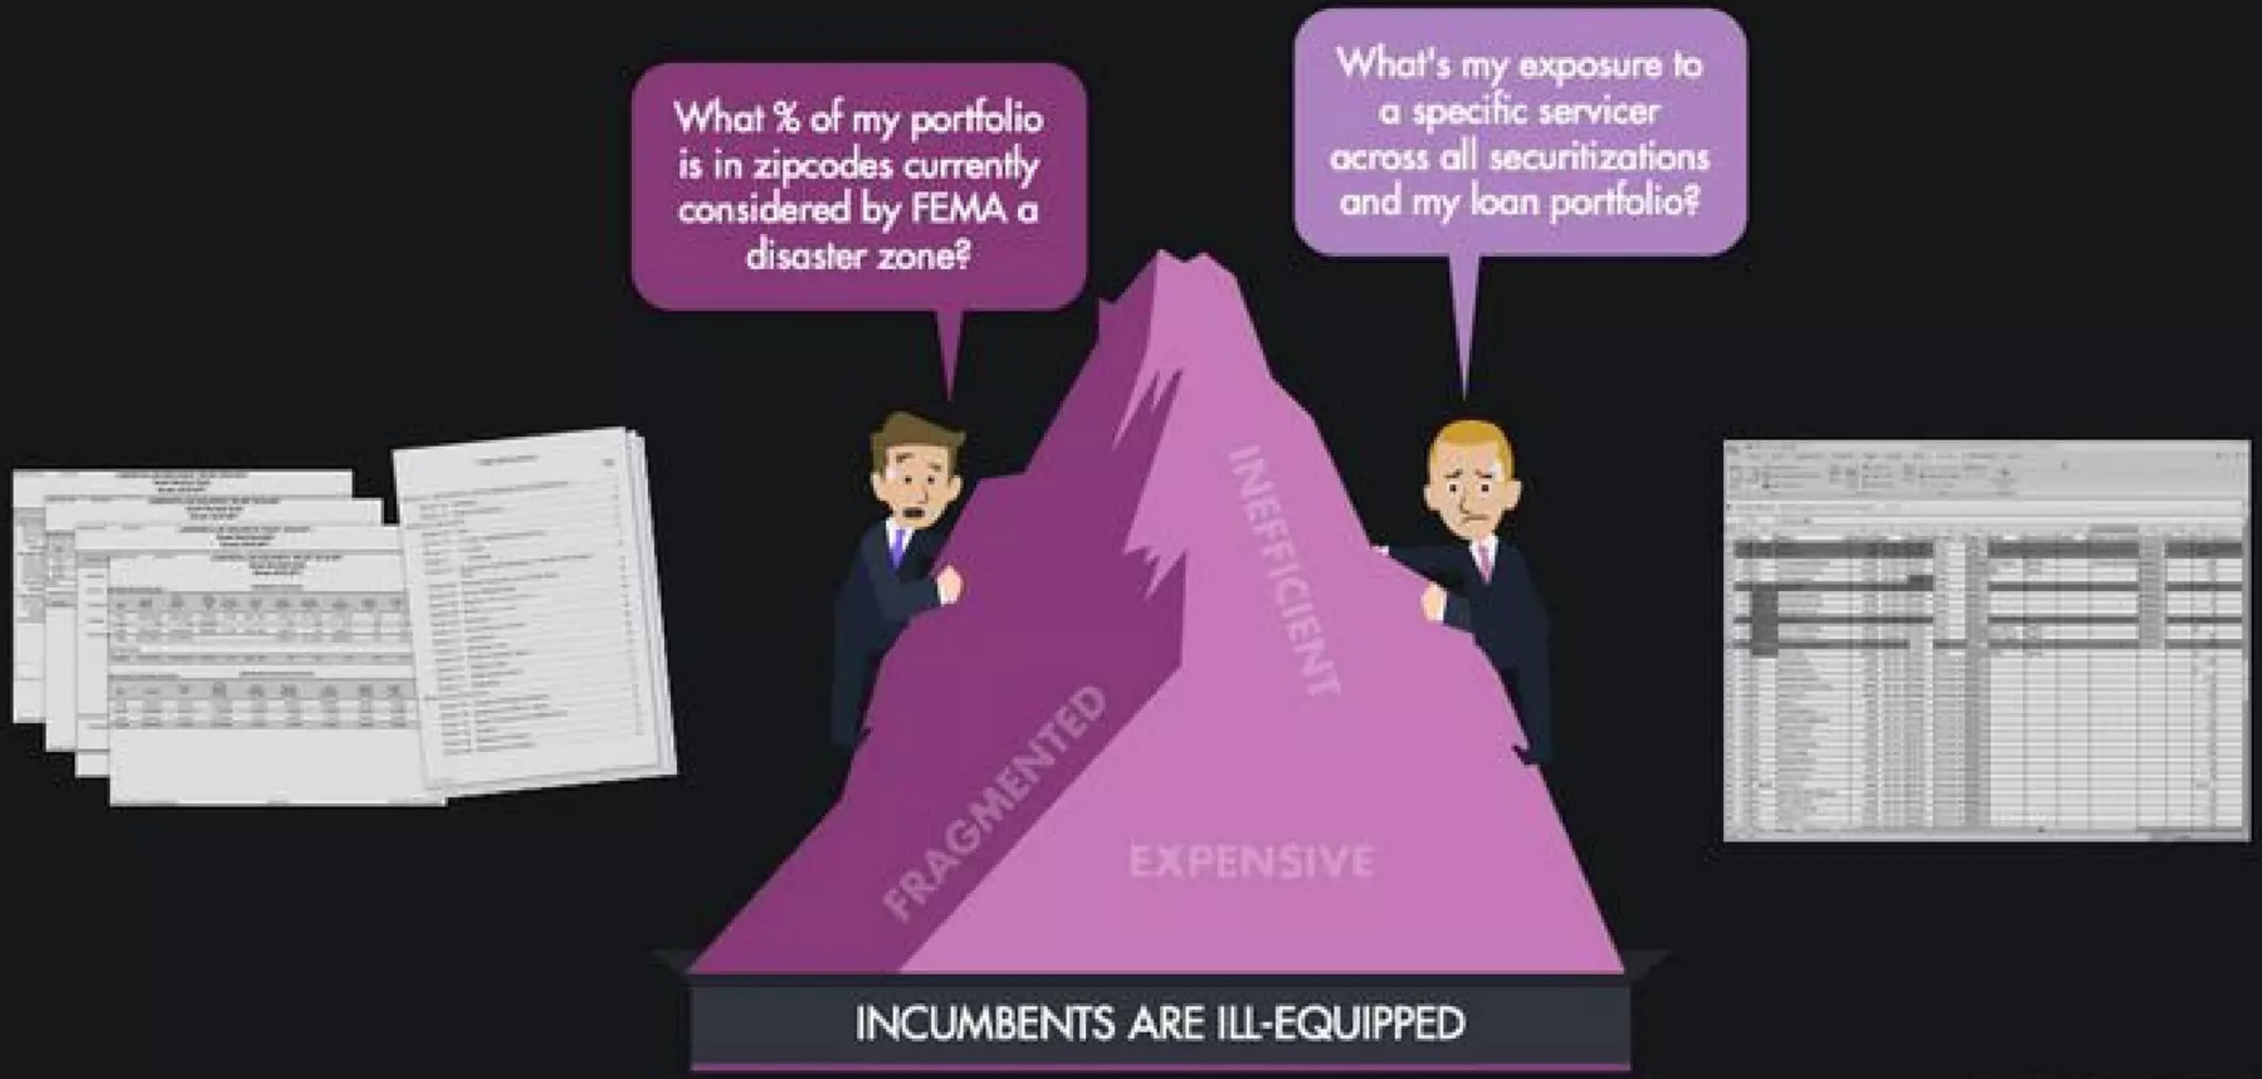

dv01

CONFIDENTIAL SEPTEMBER 2018

Simple Questions Investors Currently Struggle With

dv01

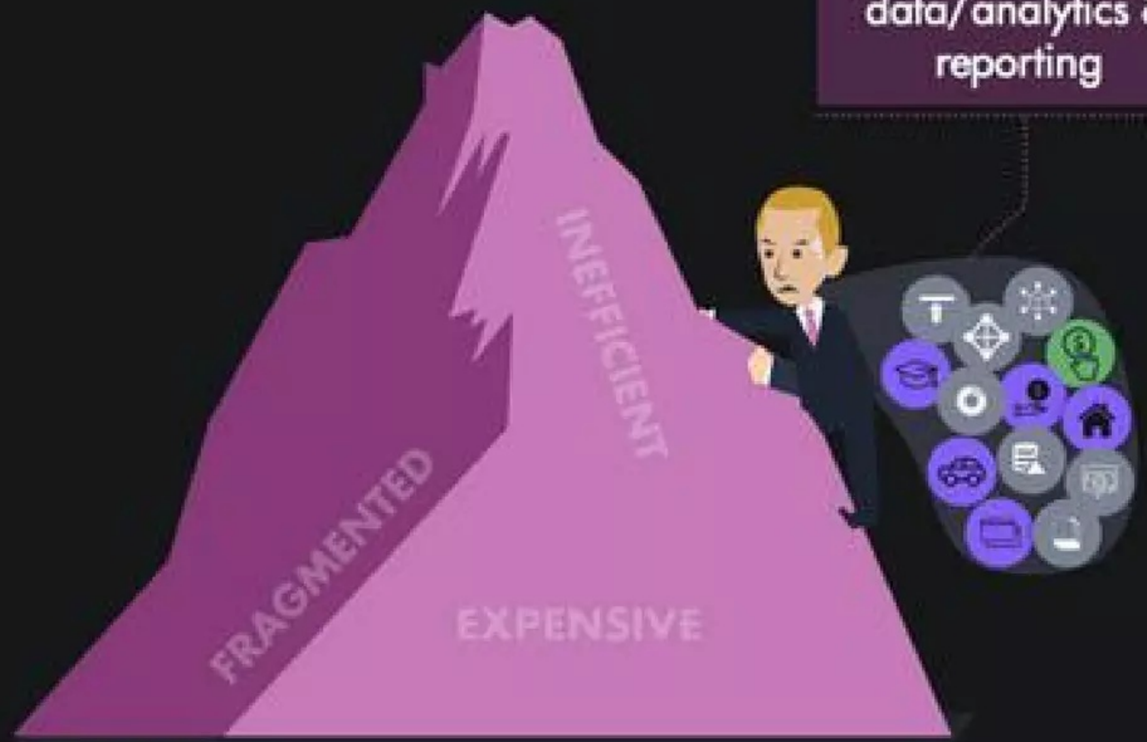

CONFIDENTIAL. SEPTEMBER 2018

Why Now? Why Us?

dv01

Each asset class we are targeting needs increasingly robust data/analytics & reporting

INCUMBENTS ARE ILL-EQUIPPED

We have domain expertise, talent and backing to do this

Incredible **UX**

Superior **Technology**

Cost **Effective**

BEST IN CLASS PRODUCT

CONFIDENTIAL SEPTEMBER 2018

What do our customers gain from dv01?

dv01

Helps manage risk

Allows them to make better decisions, faster

Can perform analysis in seconds rather than hours or days

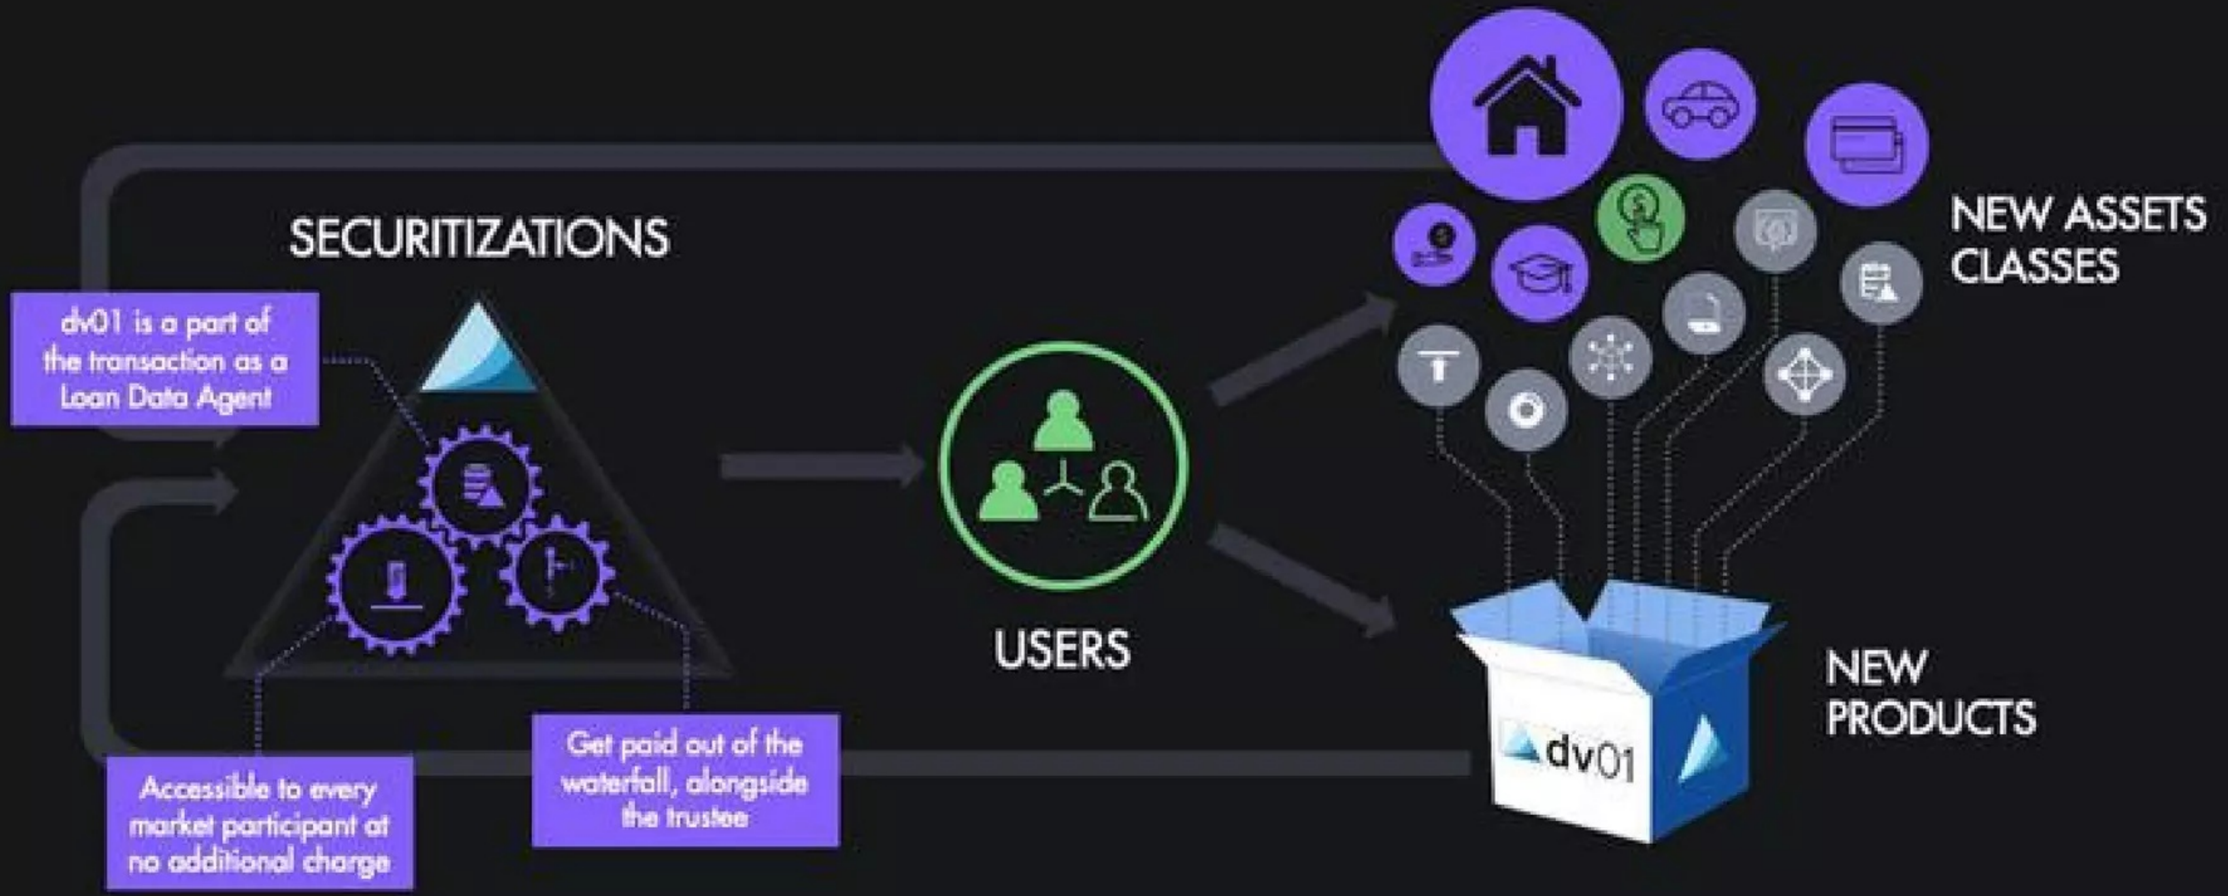

Performing analytics on loan level data is more accurate than current, old school process

CONFIDENTIAL. SEPTEMBER 2018

Unique Distribution Advantage

dv01

CONFIDENTIAL. SEPTEMBER 2018

Growth Drivers - Mortgages

dv01

1

Sheer size of this market alone

$15T

2

There are a lot of data problems in the space and our infrastructure is key to solving these problems

3

Mortgage securitization market is undergoing a reboot and the timing is ripe for better ways of doing things given the crisis

4

New Issue in non-agency mortgages is expected to grow significantly over the next 5 years

5

The market has the most amount of customers/ institutions *(ex. there are 200-250 clients buying CRT deals alone)*

CONFIDENTIAL SEPTEMBER 2018

Total Addressable Market – SaaS only

dv01

$500M+ of revenue opportunity
spread across multiple vendors

CONFIDENTIAL. SEPTEMBER 2018

How do we make money?

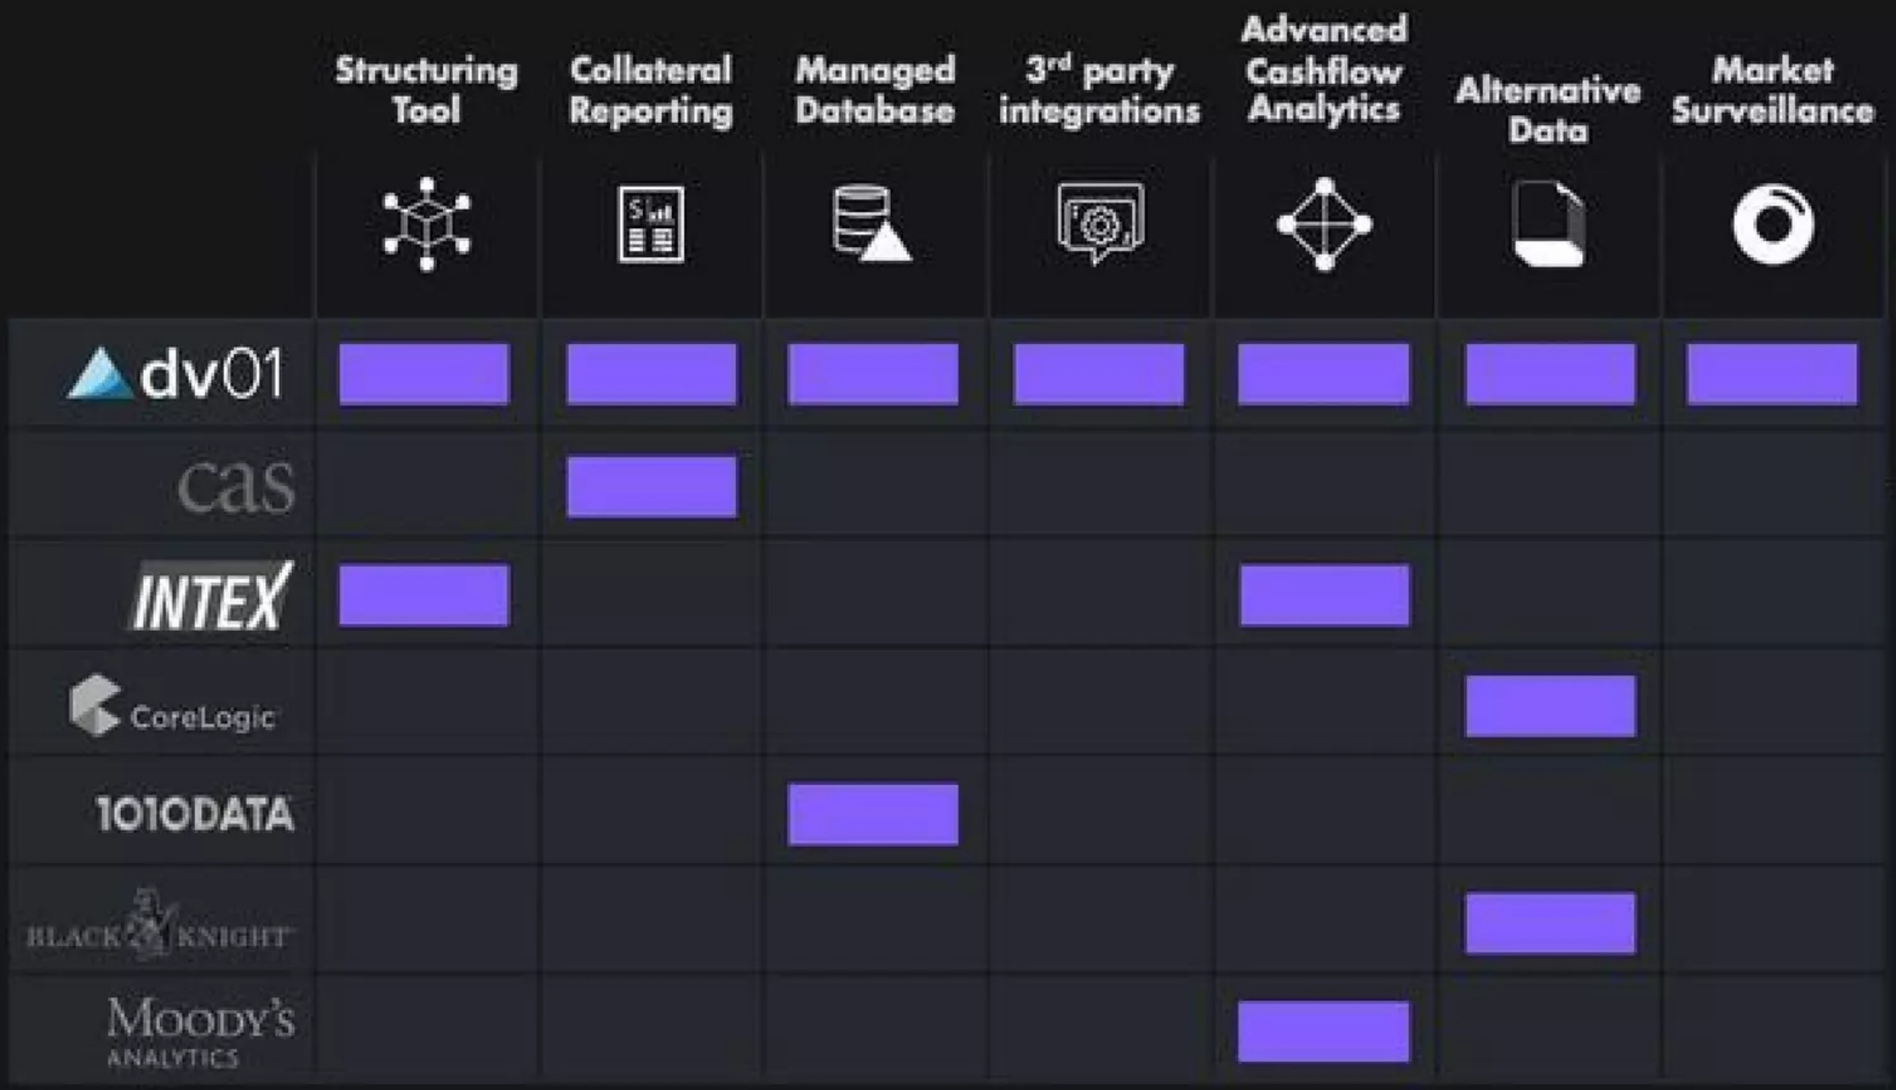

SaaS / Market Surveillance	Annual Contract	Banks, Investors
Portfolio Management	bps on Portfolio Size	Originators, Investors
LDA / Securitizations	bps on Collateral Balance, Paid out of Deal Waterfall	Originators, Investors
Credit Facilities	Annual Contract	Banks, Originators, Investors

dv01 has not lost a single client; there is crossover between our revenue streams and several clients pay us through multiple channels

CONFIDENTIAL. SEPTEMBER 2018

Competitive Analysis

dv01 provides a simple end-to-end solution over a very fragmented workflow
