For the purpose of this document "Finova Financial" or "Finova" refers to National Financial Holdings Inc. and any of its affiliates and subsidiaries.

This document is confidential and is intended only for the use of the person(s) to whom it is presented and or delivered by Finova. It may not be reproduced (in whole or in part) nor may its contents de divulged to any other person without the prior written consent of Finova.

This document does not constitute an offer to sell or a solicitation of an offer to buy any securities. It is an outline of matters for discussion only. Any person receiving this document and wishing to effect a transaction discussed herein, must do so in accordance with applicable law. Any transaction implementing any proposal discussed in this document shall be exclusively upon the terms and subject to the conditions set out in the definitive transaction agreements.

By accepting this document you hereby acknowledge that you are aware and that you will advise your representatives that the federal and state securities laws prohibit any person who has material, non-public information about a company from purchasing or selling securities of such a company or from communicating such information to any other person under circumstances in which it is reasonably foreseeable that such person is likely to purchase or sell such securities.

You may not rely upon this document in evaluating the merits of participating in any transaction referred to herein. This document contains selected information and does not purport to be all-inclusive or to contain all of the information that may be relevant to your participation in any such transaction. This document does not constitute and should not be interpreted as either a recommendation or advice, including investment, financial, legal, tax, or accounting advice. Any decision with respect to participation in any transaction described herein should be made based solely upon appropriate due diligence of each party.

Future results are impossible to predict. Opinions and estimates offered in this presentation constitute our judgment and are subject to change without notice, as are statements about market trends, which are based on current market conditions. This document includes forward-looking statements that represent our opinions, expectations, beliefs, intentions, estimates, or strategies regarding the future, which may not be realized. These statements may be identified by the use of words like "anticipate," "believe," "expect," "intend," "may," "plan," "will," "should," "seek," "target(s)", ("projects") and similar expressions. The forward-looking statements reflect our views and assumptions with respect to future events as of the date of this document and are subject to risks and uncertainties. Actual and future results and trends could differ materially from those described by such statements due to various factors that are beyond our ability to control or predict. Given these uncertainties, you should not place undue reliance on the forward-looking statements. We do not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

We believe the information provided herein is reliable, as of the date hereof, but do not warrant its accuracy or completeness. In preparing these materials, we have relied upon and assumed, without independent verification, the accuracy and completeness of all information available from public sources. Without limiting the generality of the foregoing, no audit or review has been undertaken by an independent third party of financial assumptions, data, results, calculations and forecasts contained, presented or referred to in this document. You should conduct your own independent investigation and assessment as to the validity of the information contained in this document and the economic, financial, regulatory, legal, taxation, stamp duty and accounting implications of that information. Except as required by law, Finova and its respective directors, officers, employees, agents and consultants, make no representation or warranty as to the accuracy or completeness of the information contained in this document, and take no responsibility under any circumstances for any loss or damage suffered as a result of any omission, inadequacy, or inaccuracy in this document.

Any securities in this company would not be registered under the U.S. Securities Act of 1933 (the "Act") and may only be offered in a transaction that is not subject to or that is exempt from registration under the Act. Investors must have the financial ability and willingness to accept the risks, including the loss of the investment and lack of liquidity. Any such securities would not be able to be resold, transferred or otherwise disposed of in the U.S. unless registered under the Act or pursuant to an available exemption from registration.
