Mietz

RENT NOW.

The biggest cost you have is time.

If you rent out a flat, you will be flooded by mails and phone calls - at least 100 per flat.

Imagine you have a house of student apartments.

500 apartments and 40% fluctuation.
That’s 20,000 mails each year.

Now imagine you have five houses...

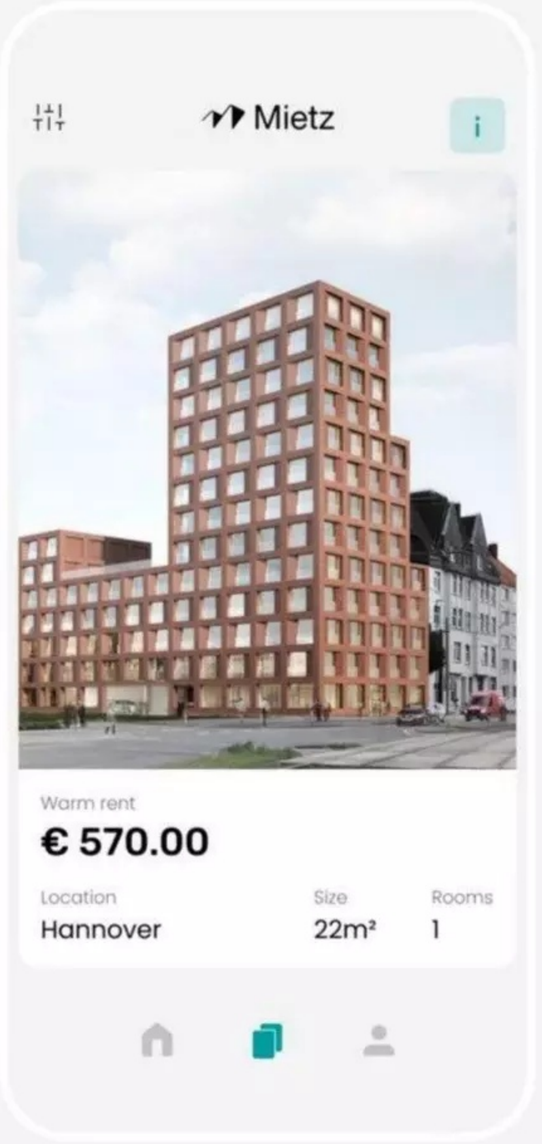

Mietz closes the gap between landlords and tenants.
