	Customer information:	This customer group receive payments of council Tax Benefit and Housing Benefit. This group are not pensioners. They have no obvious means of support from government agencies or organisations and a regarded as a hard to reach group.					New Claims for Housing/Council Tax
Date							
Key Journey Steps		Finding out if they were potentially eligible for benefits.	Making an application for benefits.	Application queries/help	Handing in documents at the office	Letter and benefits received.	Query with benefits paid
Actions / thoughts and feelings at each step		'I felt lost' 'I had applied before in England so I knew about the benefits and looked on the Council website' 'Staff were slightly reluctant to provide information'	'I would have liked to make my application on-line but it only took me so far' 'the application is probably easier for Scottish people' 'from	'I have a small child and couldn't visit the office, the help line was difficult to get through to' 'the staff in the office I visited were excellent'	'I prefer to hand documents in, I have lost documents in the past' 'staff at the office were helpful and polite'	'When the letter arrived, I thought I was not entitled to benefits, I didn't know what I was going to do' 'I felt the process was very smooth and well done'	'I have not followed this up yet' 'The member of staff dealing with my case was not available' 'My landlord has told me to write to the council I am unable to write'
Customer experience chart							
Moments of Truth							
Could this step have been avoided?		X	X	✓	X	X	✓
Customer improvements - improvements made		It would be helpful to know what the entitlement benefits are	Application process made easier.			Letters could clearly state how often payment will be made F56Letters for back dated payments could be clearer so there is no confusion regarding	

hack productivity & collaboration **software** that is too structured
