onfido

# Identity is broken

Today

In-person

Time-consuming
Not scalable

Credit bureaus

Credit bureaus

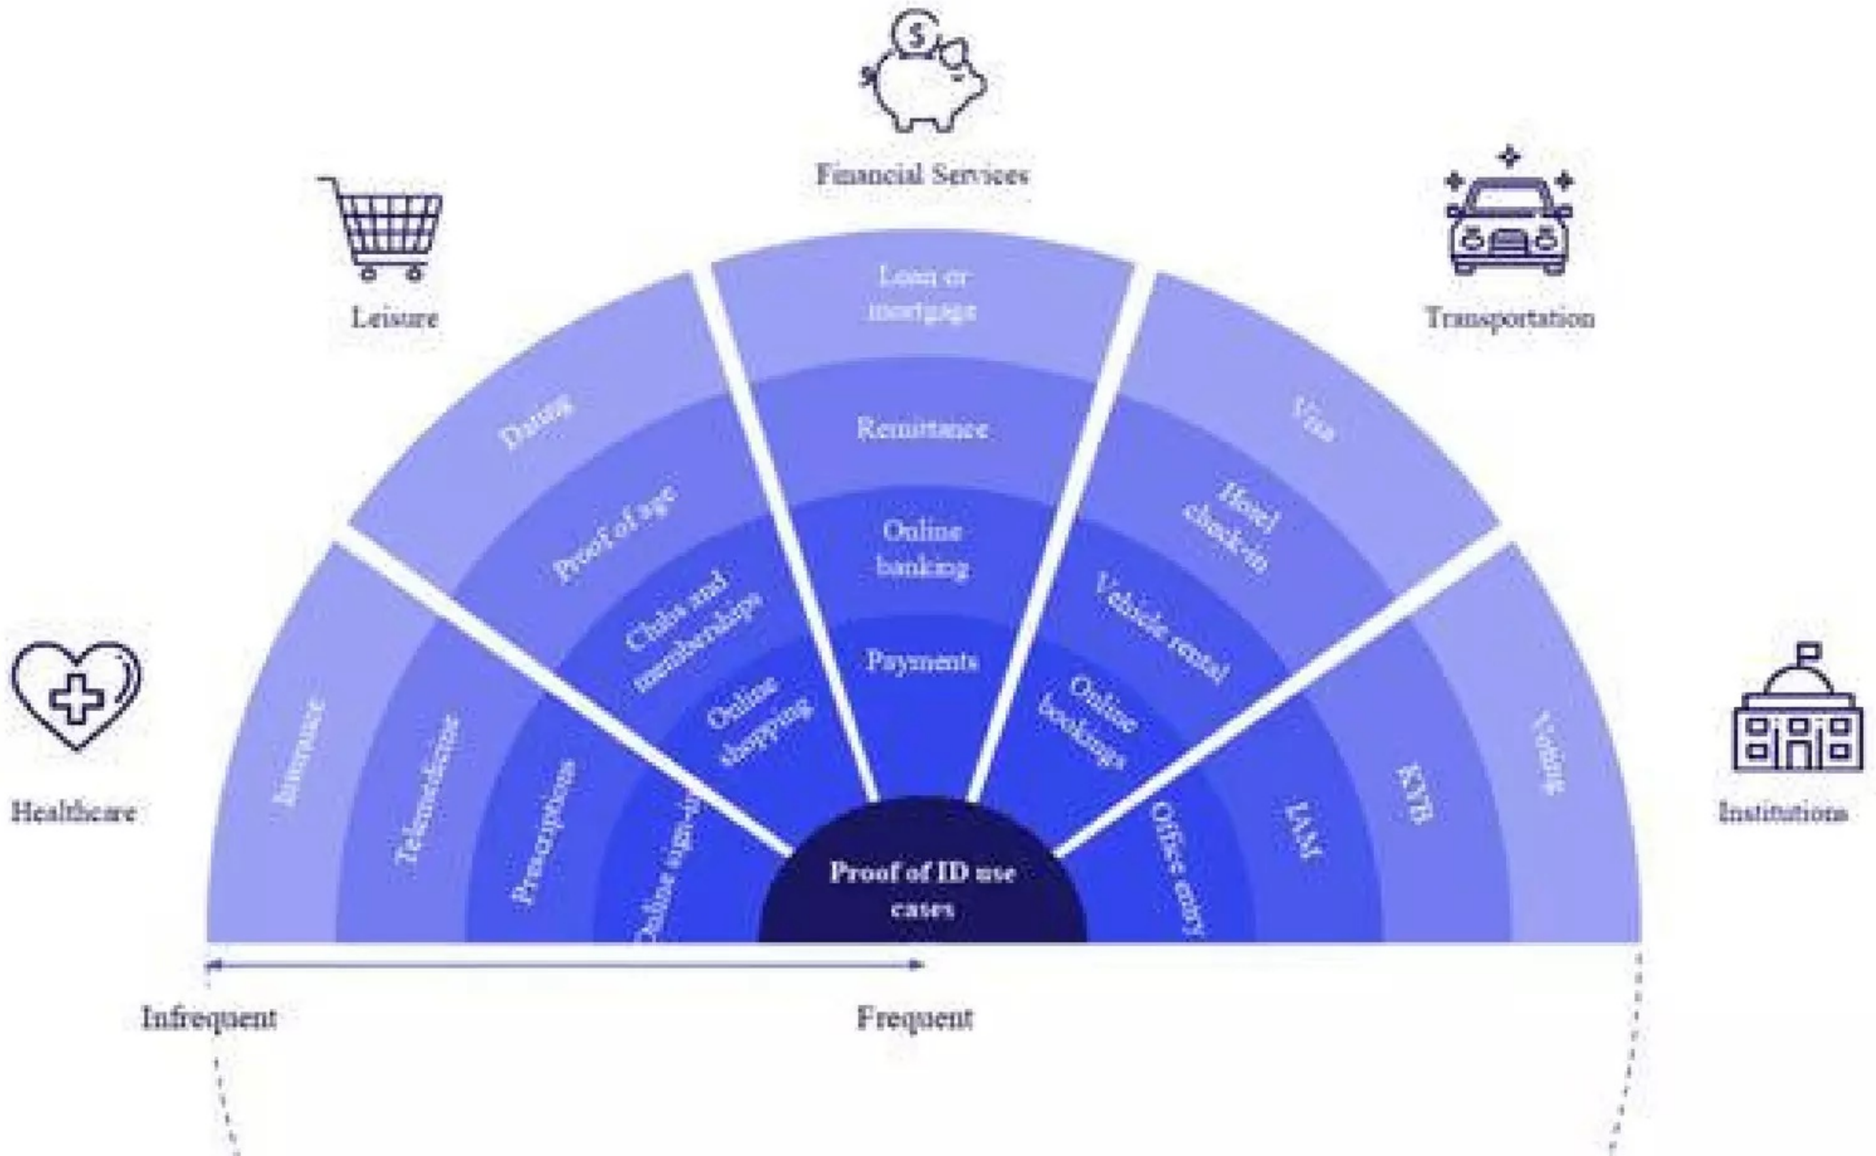

2bn blocked from access

Gain access

$2tn or 5% of global GDP is laundered money

onfido

# But identity underpins every transaction

onfido

# Our approach takes seconds instead of hours

onfido

# What this means for clients

Reduce risk

Increase conversion

Scale globally

onfido
