Hello New York, We're Oscar,

A new kind of health insurance company that is using technology to make insurance simple, intuitive, and human. In other words, the kind of healthcare we want for ourselves.

GET STARTED

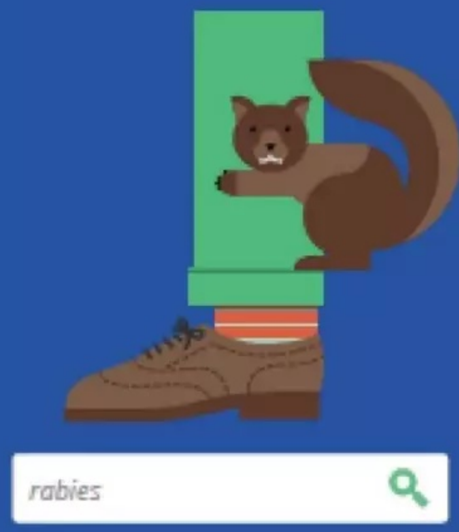

Health insurance that works like the rest of the Internet.

If you're not feeling great, just come to our site and type in your symptoms. We'll help you find doctors, specialists, and pharmacies quickly and easily.

We're Oscar, a new kind of health insurance company.

Emergency? Always call 911
Life Threatening or Permanent Impairment

Asthma

Asthma is a chronic disease that affects your airways. Your airways are tubes that carry air in and out of your lungs. If you have asthma, the inside walls of your airways become sore and swollen. That makes them very sensitive, and they may react strongly to things that you are allergic to or find irritating. When your airways react, they get narrower and your lungs get less air.

Dec 14	You completed your health questionnaire.
Dec 13	You registered for a HiOscar.com account.

anatomy of simple

1. Limit actions and details until needed
2. Reduce complexity by understanding it
3. Put data to work instead of users
4. Stay focused

importance of design

Helped build the company
Crucial to customer growth and engagement
Keeps pace with our thinking rather than our doing

what's next?

Simpler than your cell phone plan
Smarter member engagement
Integration into doctor offices
