

Pathrise

Land your dream job

Problem

The job search is hard.

Job seekers don't know how to optimize their job search to land the best job.

Solution

Pathrise coaches job seekers on how to land the best job.

- Online program and platform
- 3-4 months on average
- Weekly live video sessions
- Focused on optimizing the job search, not technical education

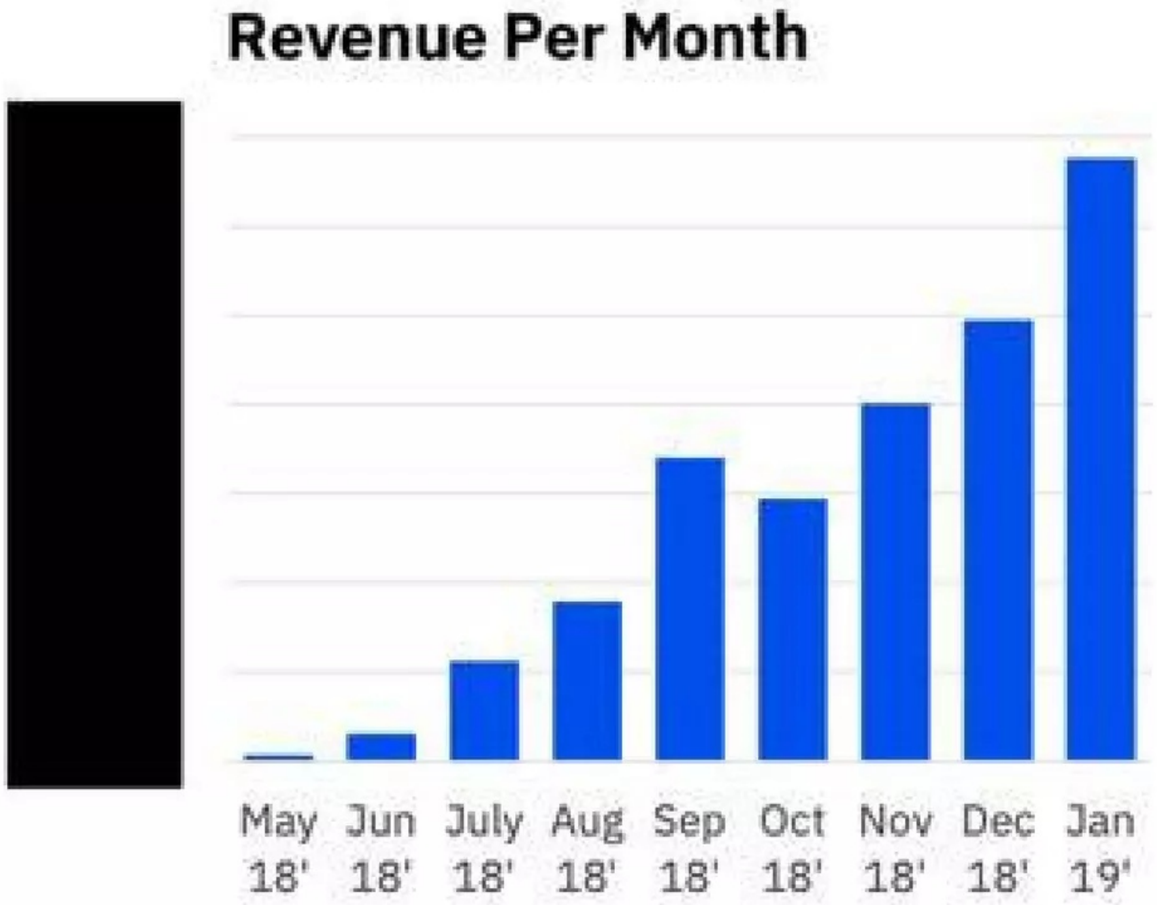

Business Model

Job seekers pay $0 upfront.

Instead, they sign a contract to pay us 9% of their first year's income only after they get hired.

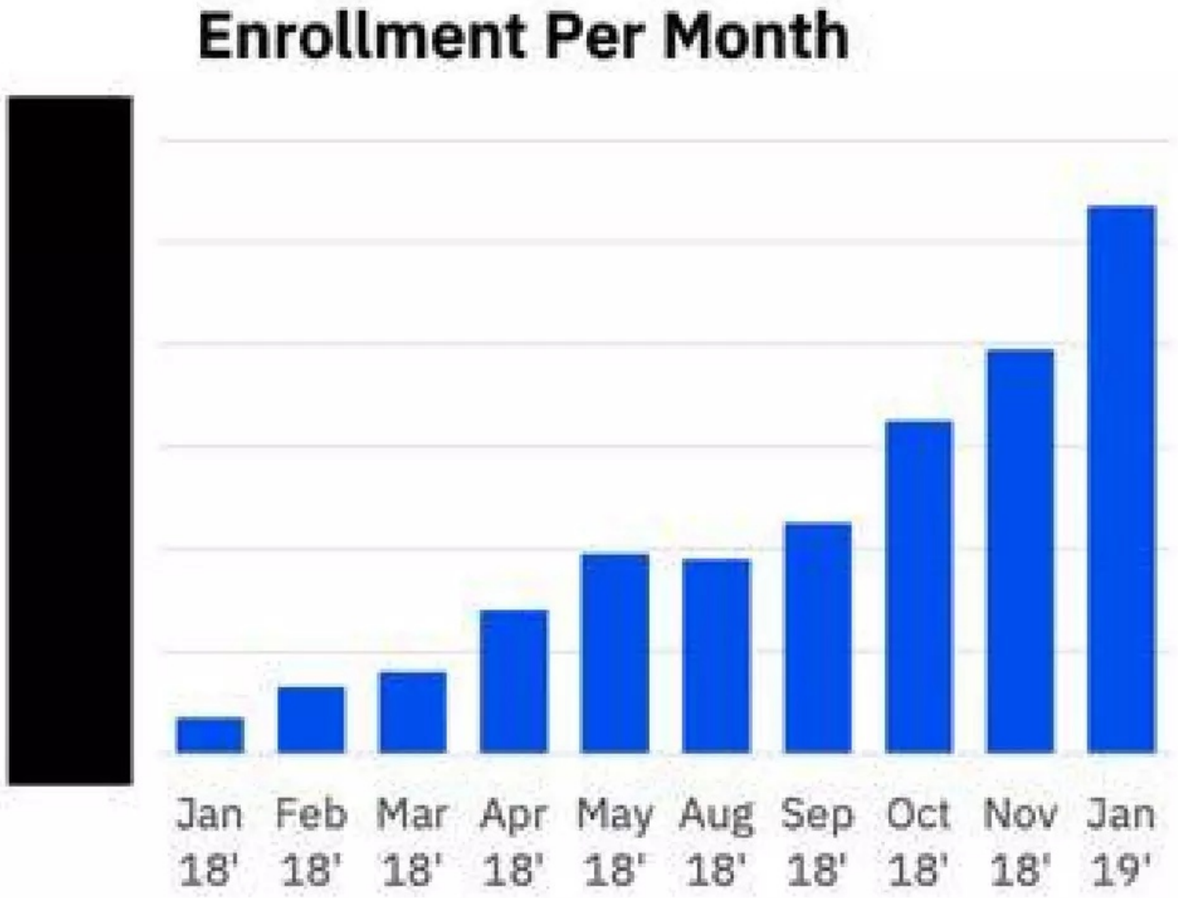

Revenue

- 421 fellows placed
- $9000 revenue per fellow
- 94% hired within 9 months

Enrollment

- 1000+ fellows enrolled
- 10%+ MoM growth rate
- Waitlist of 1000+ prospects

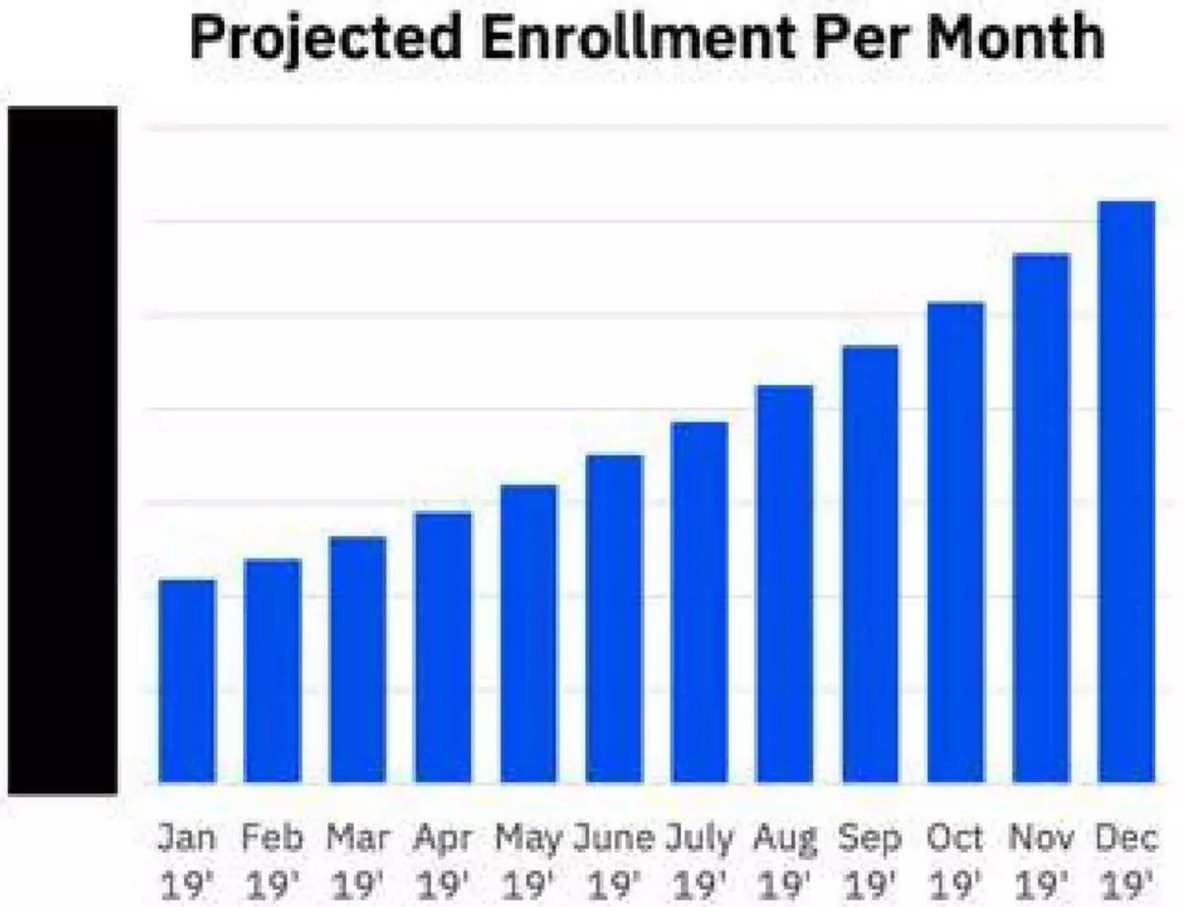

June, July, and December enrollment was paused

Projections

If we grow at half our current growth rate for 2019...

- 2300 risers enrolled

Market

3.2M new graduates

1.4M white collar workers in early 20's looking to switch

$50k salary *(our current average is 2x this)*

9% income share

$20.7B market

Outcomes

Network Effects

Each new riser makes Pathrise more valuable.

- Builds P2P community
- Gives exclusive data on hiring processes
- Improves acquisition with brand and referrals
- Become future hiring managers and get current students hired
- Come back as future advisors

Fundraising

We are considering $3M in this process.

- Fill unmet demand by hiring advisors faster
- Further develop software and data advantage
