ABOUT US

PULLEY'S MISSION

Our mission is to help founders start more companies.

Our vision is a world where any founder can create a company with a push of a button, where all employees can share in the value they have helped to build, and where any investor can find and fund any company that aligns with their values.

PULLEY IS THE PLATFORM FOR COMPANIES, FOUNDERS, EMPLOYEES, AND INVESTORS TO MANAGE THEIR MOST VALUABLE ASSET:

THEIR EQUITY

OUR NOT SO SECRET STRATEGY

Pulley helps companies manage their cap table, get 409A valuations, and stay compliant.

Listen to customers

We offer dedicated support because we want to know what to build and why.

We often build and ship new features for law firm and companies in 1 week.

10x more effective

We focus on making all interactions as self-serve as possible.

We strive to make every interaction 10x faster than our competitors.

We offer onboarding in 15 minutes vs. weeks and 409A in five days vs. a month.

Aim for 10x faster

We save founders, lawyers and paralegals money in the long term because they need to contact us less frequently.
