Confidentiality and Copyrights

All information contained in this presentation ("Confidential Information") is proprietary and confidential in nature and is prohibited from being, sold, marketed, publicized, or disclosed to any third party, firm, corporation, or association for any purpose. Confidential Information may not be copied, reproduced, compiled, disassembled, distributed, published, displayed, performed, modified, uploaded, used to create derivative works, transmitted, or exploited in any way. No parties are permitted to re-distribute in any manner any analysis of Confidential Information without prior written consent from the Company.

Use of Certain Financial Information

This presentation contains pro forma financial information and financial projections that are forward-looking statements that involve significant risk and uncertainty. All materials or documents supplied by the Company, including any such pro forma financials or projections, should be considered speculative and are qualified in their entirety by the assumptions, information and risks disclosed in this presentation. The assumptions and facts upon which such pro forma financials and projections are based are subject to variations that may arise as future events actually occur and to a complex series of events, many of which are outside the Company's control. The projections included herein are based on assumptions made by management of the Company about future events. There is no assurance that actual events will correspond with these assumptions. Actual results for any period may or may not approximate projections and may differ significantly. Neither the Company nor any person associated with it or employed by it nor any other person or entity makes any representation or warranty as to the future profitability of the Company or of an investment in the equity interests thereof.

Not an Offer

This presentation does not constitute an offer to sell or a solicitation of an offer to buy, subscribe for, or purchase any securities or interests in Bgood LLC or any of its affiliates. Any offer or solicitation with respect to any potential investment in any securities in Bgood LLC or any of its affiliates can only be made by means of a private placement in accordance with applicable securities law and via a confidential offering memorandum.

Informational Purposes Only

Any financial and other data presented herein is for informational purposes only and may not have been independently reviewed or audited by an independent third party. All information herein (other than disclosure information relating to the Company and its affiliates) was obtained from the third party sources identified herein. All statements, opinions, projections, and estimates constitute the judgment of the Company as of the date of the presentation and are subject to change without notice. The information contained herein should not be construed as an offer to sell or a solicitation of any offer to buy membership interests of the Company. If any offer is made, it shall be pursuant to a Confidential Private Offering Memorandum prepared by or on behalf of the Company which contains detailed information concerning the investment terms and risks, fees and expenses associated with an investment in that fund and which investors are urged to read carefully. Each prospective investor should consult his/her own counsel, accountants and other advisers as to the legal, tax, ERISA, economic, and related aspects of an investment as to its suitability for such prospective investor.

Qualified and Accredited Investors Only

Investments in the Company involve a high degree of risk and are suitable only for entities or persons having substantial financial resources that understand the long-term nature, the consequences of, and the risks associated with such investments. Subscriptions for interests will be accepted only from individuals who met the applicable qualifications to invest in the fund(s), as determined by reference to applicable securities laws. The value of an investment in the Company can go down as well as up. The reserves the right to accept or reject any investor or investment in its sole discretion.

Disclosure

Past performance is no guarantee of future results. All investments involve risk and may Result in the loss of all or a portion of such investment.

Restrictions apply for redemption and transferability of interests. Investments are designed for sophisticated investors only who are able to bear economic risk.

Investments in alternative investments entail substantial risk and are not intended as a complete investment program. Alternative investments are designed only for sophisticated investors who are able to bear the economic risk of losing all of their investment. Alternative investments: (1) may engage in leveraging and other speculative investment practices that may increase the risk of investment loss; (2) can be highly illiquid; (3) are not required to provide periodic pricing or valuation information to investors; (4) may involve complex tax structures and delays in distributing important tax information; and (5) are not subject to the same regulatory requirements as mutual funds or securities that are publicly traded on a stock exchange or similarly regulated agency.

The above summary is not a complete list of the risks and other important disclosures involved in investing in the Company. This presentation is subject in all respects to the more complete disclosures contained in the Confidential Private Offering Memorandum and the Limited Liability Company Operating Agreement of the Company. Copies of these documents are available upon request.

WHY CBD?

A NEW FRONTIER IN HEALTH AND WELLNESS
A HIGHER STANDARD OF EXCELLENCE IN B GREAT

- CBD, or cannabidiol, is a **naturally-occurring** constituent of hemp
- Cannabinoids interact with the human body's endocannabinoid system to help **regulate overall health and wellness**
- Preliminary research has begun to demonstrate a **wide breadth of health benefits** including:
  - **pain mitigation**
  - **anxiety regulation**
  - **sleeplessness relief**
  - **anti-inflammatory benefits**
  - **anti-oxidant properties**
- CBD is NOT psychoactive
- CBD is federally legal as long as it doesn't contain more than 0.3% THC
- CBD does not show up on drug tests

THE PROBLEM

CBD products are *everywhere* and no one knows *whether they are safe to use.*

WE WANT TO FIX THAT.

B GREAT™

Copyright Bgood, LLC 2019 | Confidential & Proprietary | Do Not Distribute

OUR SOLUTION

I started B GREAT because I had heard that CBD has wonderful therapeutic benefits, but like many people, I didn't know which products to choose from.

My goal at B GREAT is to provide consumers with superior quality hemp-based products. With thorough transparent records and documentation, consumers know exactly what they're getting: only the best.

I wanted to feel safe entering this unknown space. Now, I want you to have that same level of confidence.

B GREAT, *Barbara*
