PROBLEM FOR LANGUAGE LEARNERS

Apps that mimic classroom learning are boring

Require **building new habits**

Limited support for **intermediate and advanced** learners

Awkward, **out-of-context** exercises

Beelinguapp

SOLUTION

Beelinguapp builds on existing reading and listening habits

- **Read and listen** in 2 languages side-by-side
- Build on **existing habits** of media consumption
- Narration and translation by **native speakers**
- **Build vocabulary** and practice grammar in context

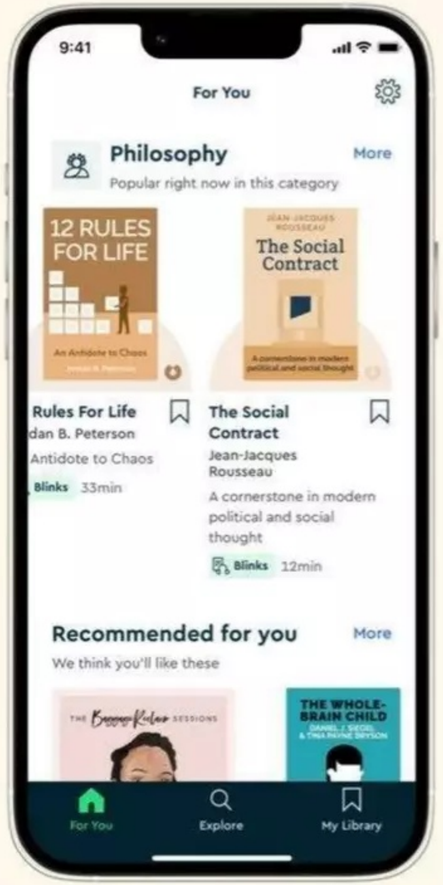

BEELINGUAPP

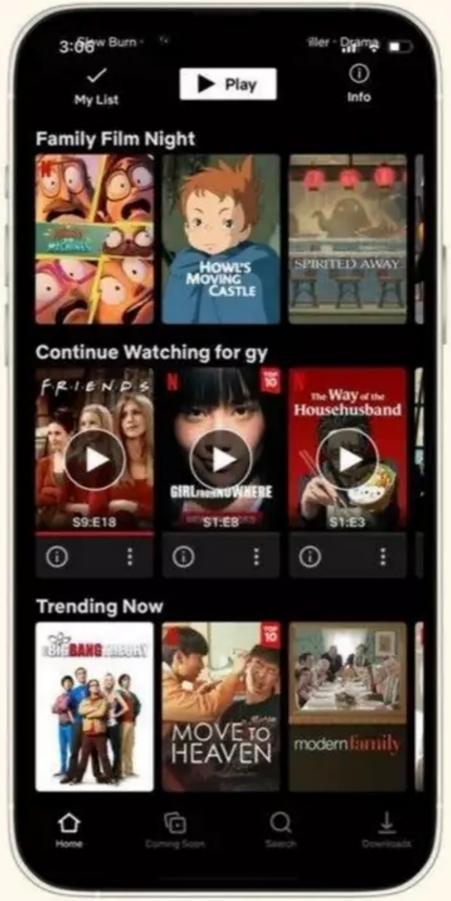

Language learning meets content

Learn like Babbel or Duolingo using **content** like Audible, Blinkist or Netflix

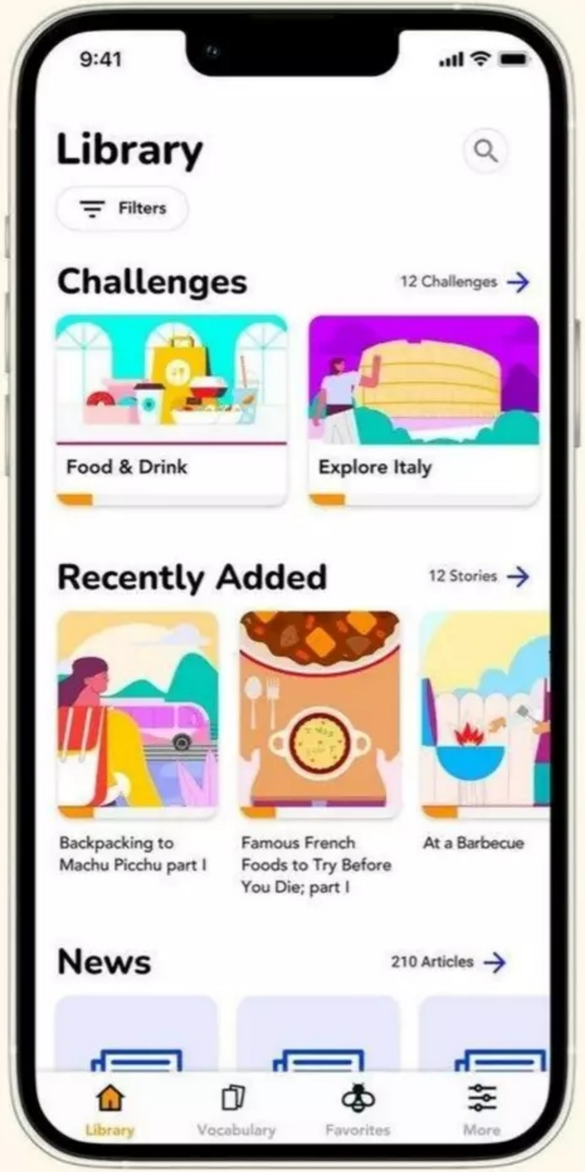

Users browse our catalog, read and listen to stories and songs and **learn naturally**

Blinkist

Netflix

Beelinguapp

Beelinguapp

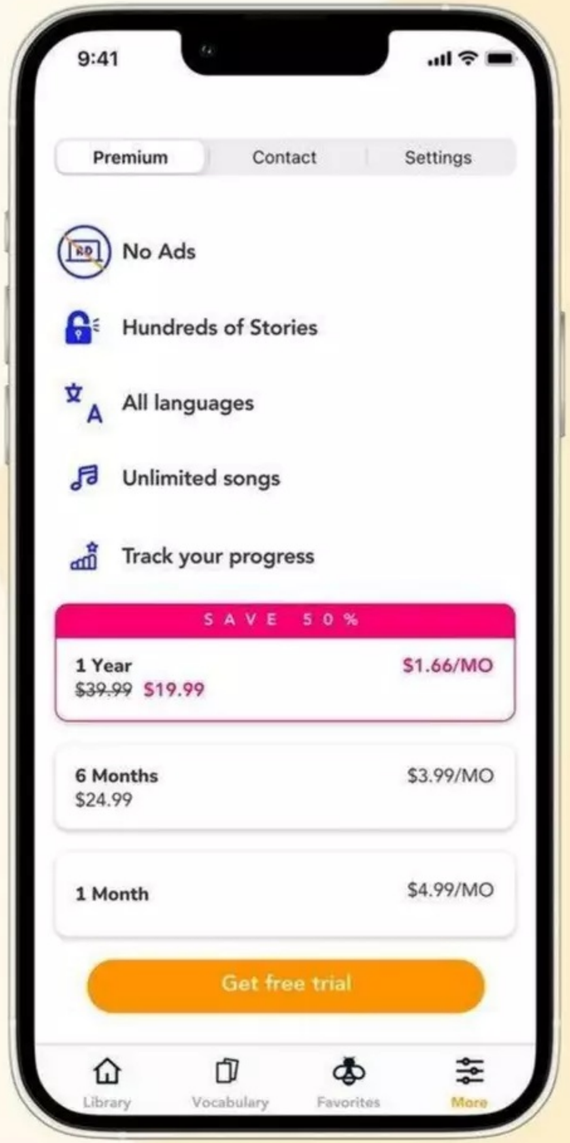

BUSINESS MODEL

Freemium subscription model

Free access to limited content, with ads

Premium access unlocks:

JOYANCE
PARTNERS

Users love Beelinguapp

Product Market Fit Study:
85% of users would be disappointed if Beelinguapp didn't exist

★★★★★

"Get this app! **Any language you are practicing is easier with Beelinguapp.** ... It not only improves your reading comprehension, it improves your comprehension in general."

★★★★★

"I have been looking for new ways to continue practicing French and love learning while I read the stories. This is the **perfect companion** to helping me stay fresh in French!"

★★★★★

"The combination of the dual language texts side by side and the clearly, understandably narrated stories and essays are **unparalleled**! I love a **daily reading session**.

★★★★★

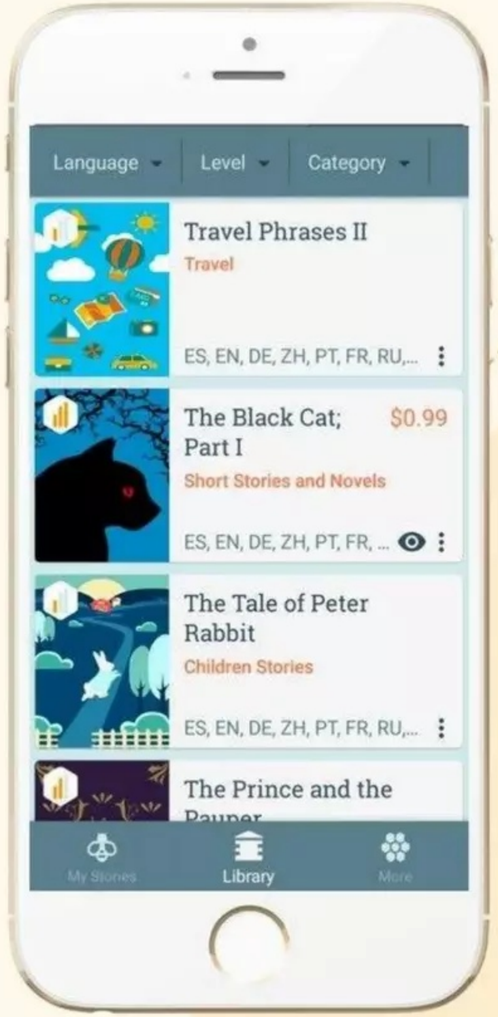

"Trying to learn Russian to communicate with my boyfriend's family. ... You can take only **30 minutes out of your day** to study on the app and will **notice results very soon**."
