

Retaining Existing Customers & Winning Back Former Customers

Bellwethr

Consumers Have The Power

91% of angered customers will **never** do business with a company again

88% of consumers read an online review that **changed** their buying decision.

Consumers tell an average of **15 people** bout a bad experience.

A **single** bad review can undo **40** good reviews

Customer Success Is the New Growth Driver

According to one McKinsey study, the companies with top-quartile revenues achieved their strong showing by investing more in customer-success initiatives aimed at churn reduction.

Climbing Customer Lifetime Value (CLV)

Improve Reviews

Increase Retention

Win Backs

Start At The End: Reverse Engineering

The customer exiting process is seen as a **negative.**

Holding Customers Hostage

Phone Calls, Email, In Person, Confusion

= Wasting Customer's Time

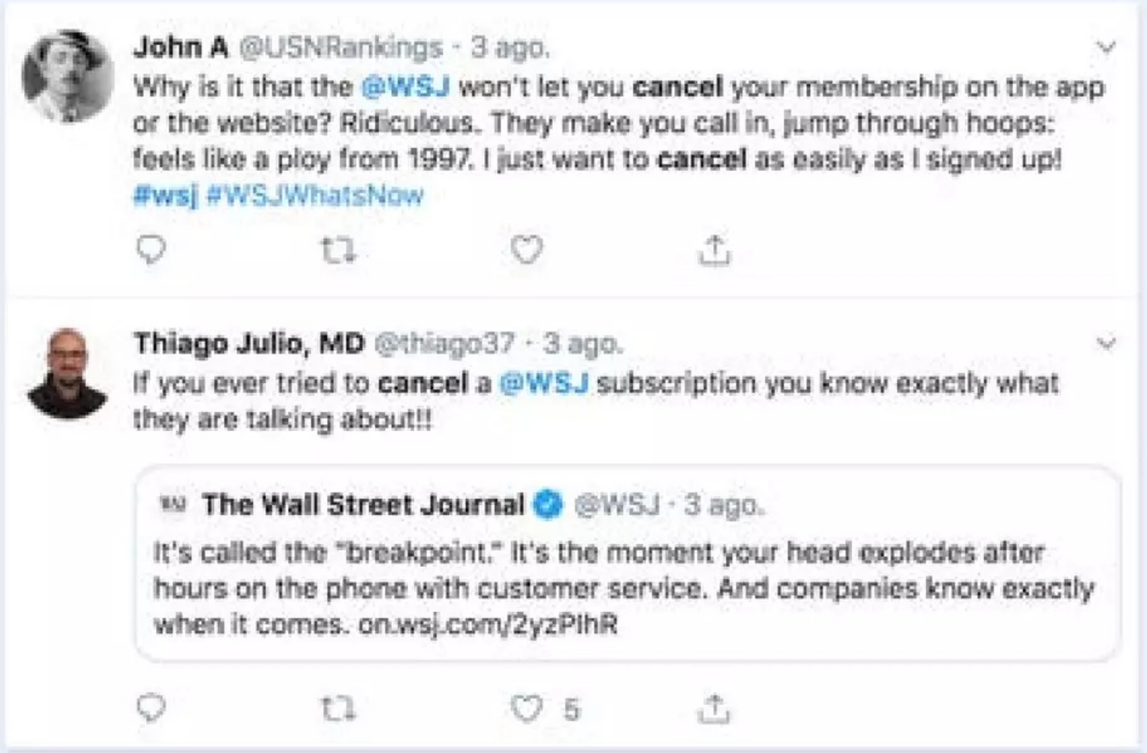

66% of adults feel that valuing their time is the most important thing a company can do to provide them with good online customer experience.

PLANET FITNESS CANCELLATION PROCESS, THIS IS SO CRAZY THE THIS YOU HAVE TO DO FOR A GYM TO STOP TAKING ...

Kathy Draper, former Fitness Trainer at Planet Fitness (2014-2017)

Answered Feb 18, 2019 · Author has 76 answers and 68.4k answer views

You cannot cancel online. You have two options - Send a certified letter to cancel or go into your home location.

Surrender

Not attempt at keeping a customer who wants to cancel.

No information as to what went wrong or could be improved.

No attempt at resolution when there may have been a solution.

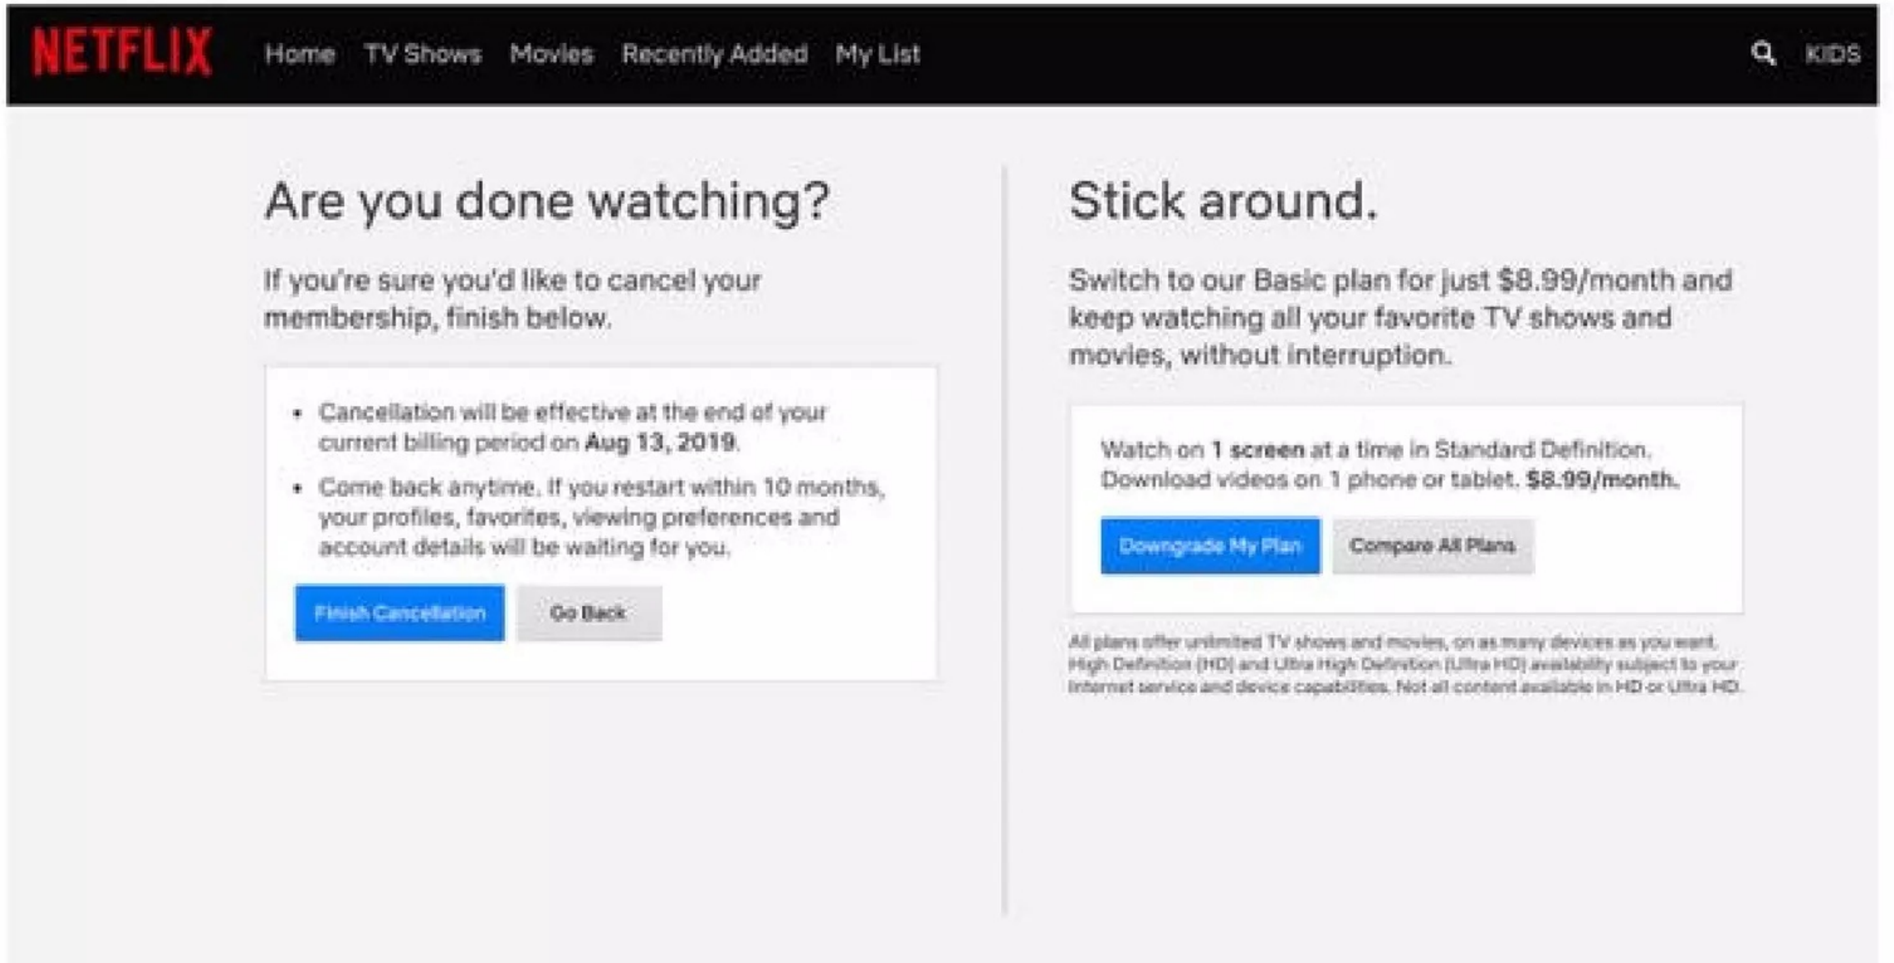

Smarter Resolution

1. Discovering what went wrong
2. Working to resolve the issue
3. Don’t waste Customer's time if there’s no possible resolution

Improved Cancellation Experience

https://uxdesign.cc/design-pleasant-cancellation-experience-and-improve-retention-6f243d34ddaf

1. Offers subscribers more flexibility on account page level: put subscriptions on hold or switch to an every other month plan.

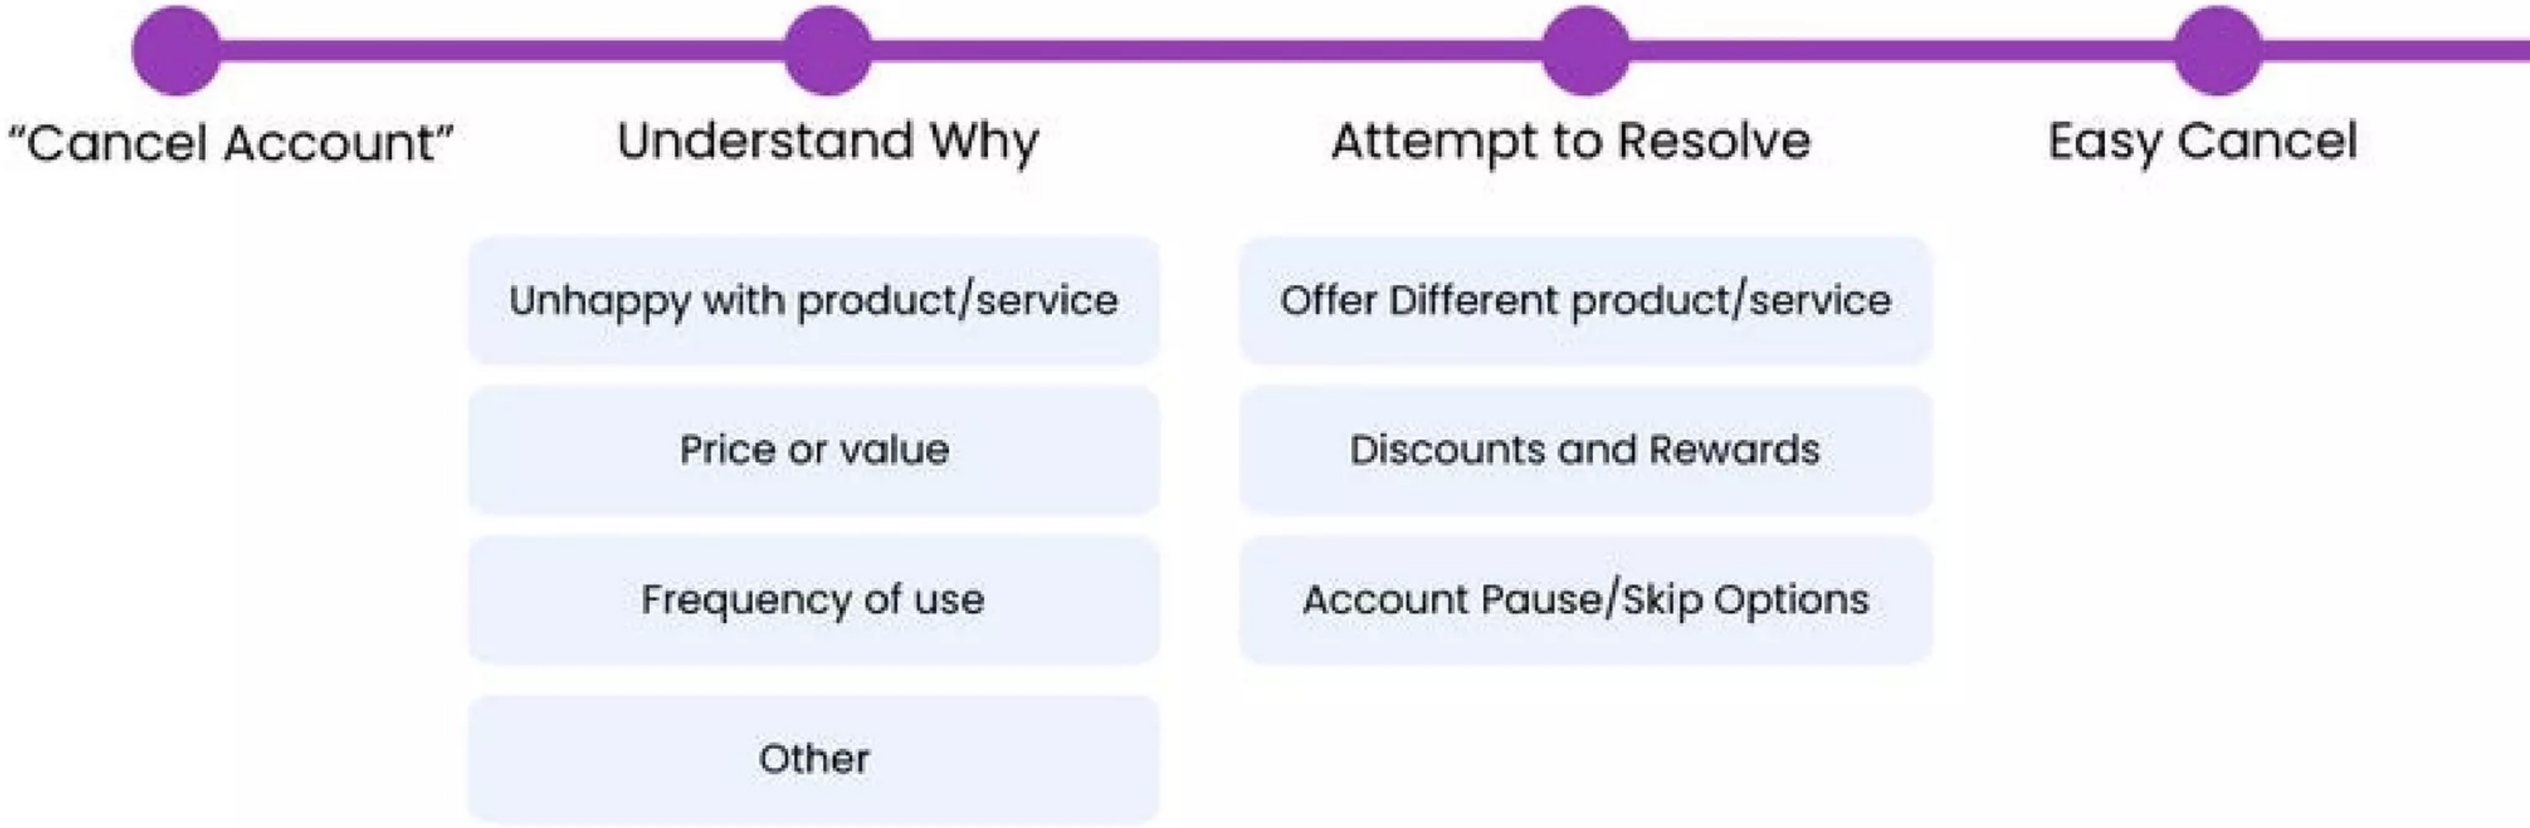

2. Listen to why the user is leaving, and then present them meaningful offers/helps to address the reason they have stated.

3. Communicate the consequences (benefits would be lost) and **provide clear Cancellation path**.

4. Ask for feedback.

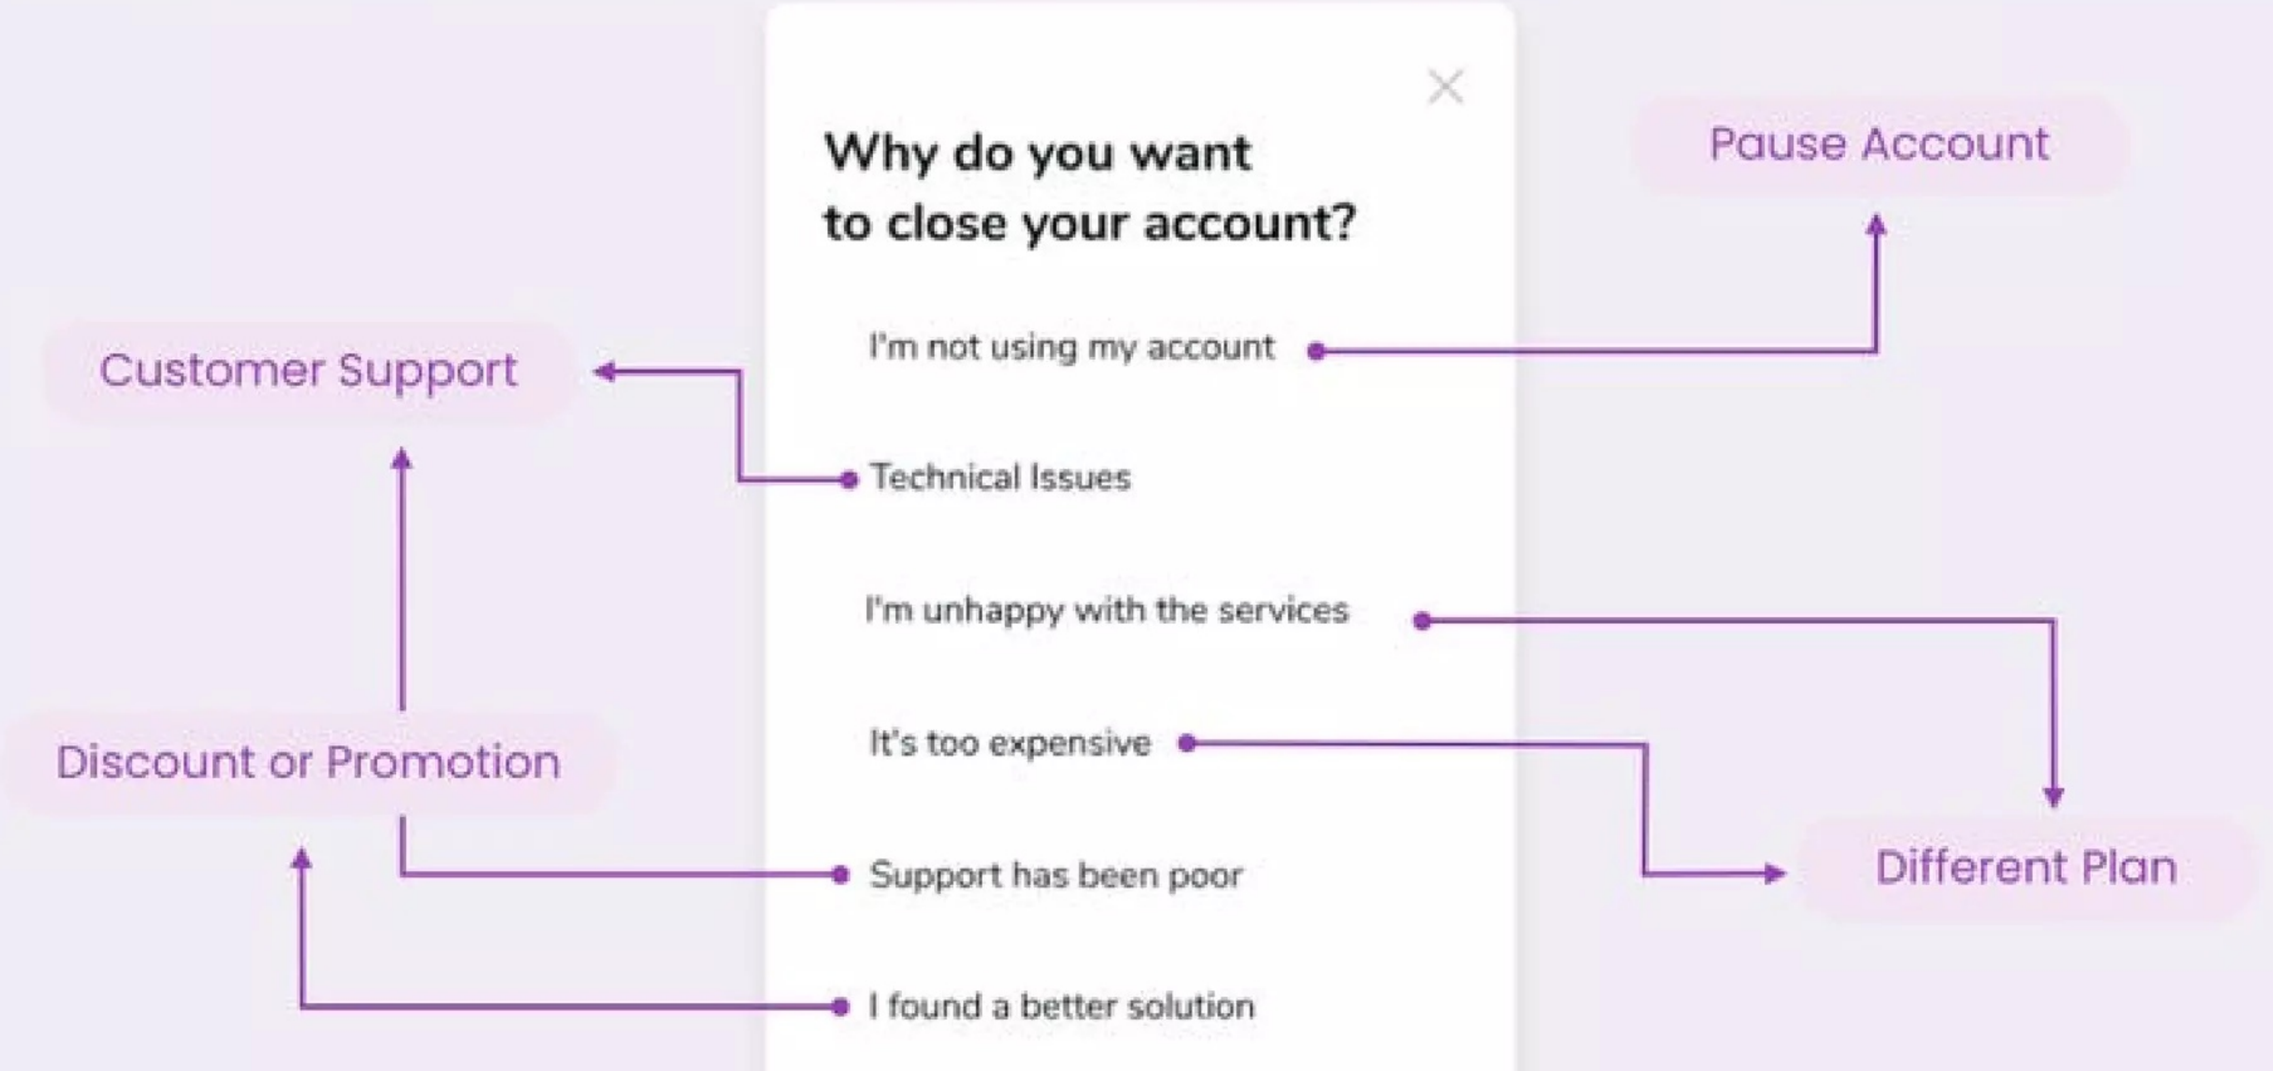

Smart Resolution

Offering intermediates and different paths in cancellation process

Smart Resolution

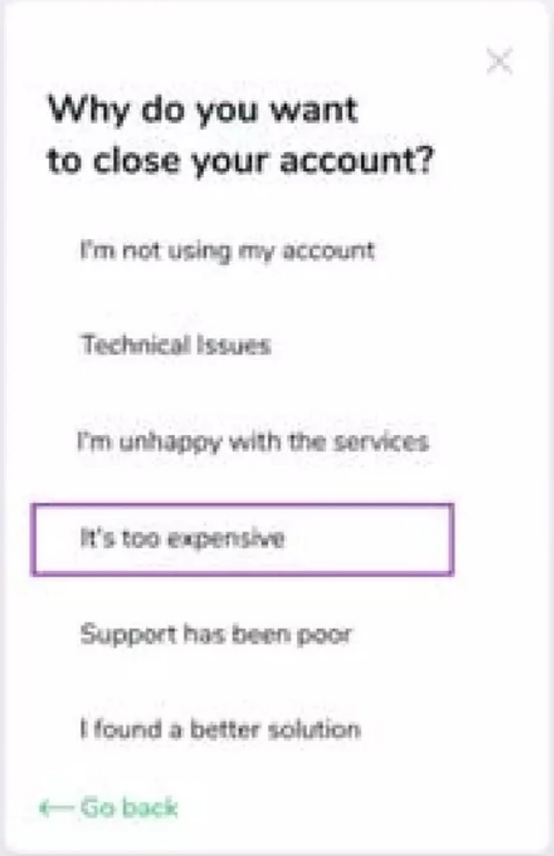

Offering intermediates and different paths in cancellation process

Dynamic Experiences

Machine learning models optimize for the experience most likely to resolve.

1. Reason for Exit | **2. Intermediate** | **3. Pause** | **4. Confirm**
