Bitspawn Improves Esports

Bitspawn

Only 3% of players are compensated from competing in esports.
Bitspawn provides more monetization routes for players than our competitors.

Bitspawn is a leader in esports software innovation.
Bitspawn provides cutting edge esports tournament curation, player development tools, and analytics.

Bitspawn connects sponsors & advertisers with a growing audience.
Gamers are an untapped source for advertisers. Gamers watch and consume esports at a higher rate than traditional sports fans.

Major Problems in Esports

Bitspawn

Rights of esports competitors are largely unprotected

Distribution of prize pools is largely unregulated and the abuse of players by leagues and organizations is prevalent across the industry.

Payment of winnings are refused by Intermediaries

Common victims of fraud are due to third parties withholding, refusing, or otherwise delaying payment of winnings. Fraud occurs in the tens of millions of dollars.

Talent go undiscovered and are not connected with sponsors

Amateur players are an afterthought in the current ecosystem. Many exceptional players are left out of the spotlight and miss opportunities to compete at a higher level.

Bitspawn is the Solution

Bitspawn

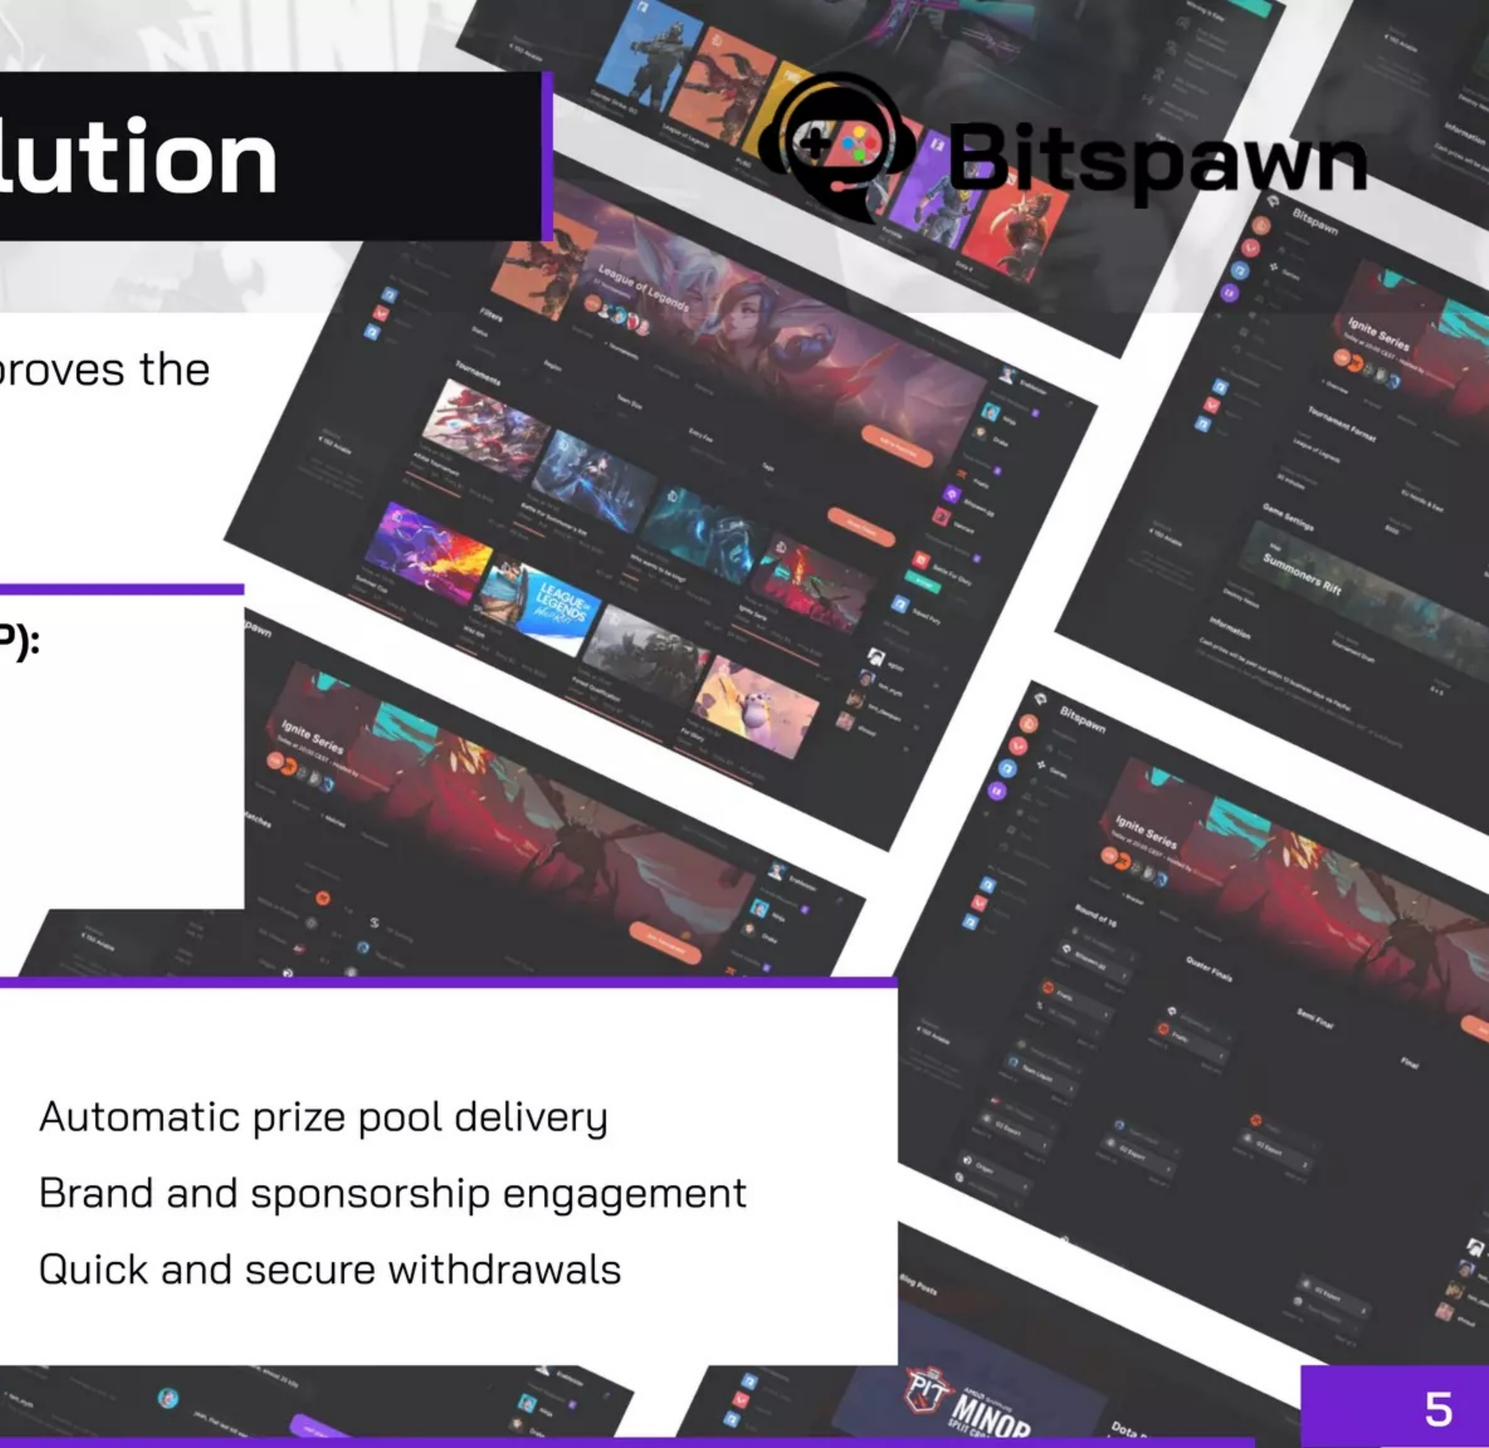

Bitspawn's digital infrastructure solution improves the esports ecosystem.

Bitspawn's Esports Advancement Platform (EAP):

- Improves player development pipelines
- Reinforcing the gaming economy
- Protecting the rights of esports competitors

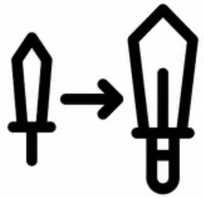

Bitspawn EAP Features:

- Competitive tournaments & challenges
- Automated match reporting
- Player stats & performance metrics
- Automatic prize pool delivery
- Brand and sponsorship engagement
- Quick and secure withdrawals

Growth Strategy

Bitspawn

1

Multi-layered Esports Platform

Bitspawn has been developed target two demographics; the hardcore ‘esports enthusiasts’ with competitive tournaments and team management tools; and the wider esports audience with game challenges, gamification and social progression.

2

Supporting 6 popular esports titles at launch

Bitspawn supports the wider esports community with the most popular esports titles at launch: DOTA 2, CS:GO, Fortnite, Call of Duty, League of Legends and PUBG. Bitspawn will then expand support dozens of games by Q1 2021.

3

Partnerships with esports organizations and influencers

Bitspawn is maximizing community growth and onboarding new users, collaborating with new partners on marketing campaigns, and constantly growing our user base.

4

Promoted events and engagements

Bitspawn utilizes proven online event models, sponsored giveaways and focusing on our engagements across social media for maximized growth and retention.

Your acceptance of this document constitutes your agreement to (i) keep confidential all the information contained in this document, as well as any information derived by you from the information contained in this document (collectively, the "**Confidential Information**") and not disclose any such Confidential Information to any other person, (ii) not use any of the Confidential Information for any purpose other than to evaluate a potential investment in the Company, (iii) not copy this document without the Company's prior consent, and (iv) promptly return this document and any copies hereof to the Company upon the Company's request.

Cautionary note to United States investors

This presentation does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of securities of the Company in any jurisdiction in which an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. The securities of the Company described herein have not been and will not be registered under the United States federal or state securities laws and may not be offered or sold in the United States, or to, or for the account or benefit of, "U.S. Persons" as such term is defined in Regulation S under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), unless an exemption from registration is available. Prospective investors will be required to represent, among other things, that they meet the definition of "accredited investor" (as defined in Rule 501(a) of the U.S. Securities Act) and are familiar with and understand the terms of the offering and have all requisite authority to make such investment. Securities sold in the United States will be "restricted securities" within the meaning of Rule 144 under the U.S. Securities Act. The securities may be resold, pledged or otherwise transferred only pursuant to an effective registration statement under the U.S. Securities Act or pursuant to an applicable exemption from the registration requirements of the U.S. Securities Act.

IN MAKING AN INVESTMENT DECISION, INVESTORS MUST RELY ON THEIR OWN EXAMINATION OF THE COMPANY AND THE TERMS OF THE OFFERING, INCLUDING THE MERITS AND RISKS INVOLVED. THE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION OR BY ANY STATE OR CANADIAN SECURITIES COMMISSION OR REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING PASSED ON THE ACCURACY OR ADEQUACY OF THIS PRESENTATION. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

Forward-Looking Statements

Forward-looking statements

This presentation, together with any supplements and any other information that may be furnished to prospective investors by the Company, contains certain statements that may constitute "forward-looking information" or "forward-looking statements" under applicable securities laws. All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that the Company anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. In some cases, forward-looking information is identified by the use of terms and phrases such as "anticipate", "believe", "could", "estimate", "expect", "intend", "may", "plan", "predict", "project", "will", "would", and similar terms and phrases and the negatives of such expressions, including references to assumptions. Such information may involve, but is not limited to, comments with respect to strategies, expectations, planned operations or future actions. These forward-looking statements are based on currently available competitive, financial and economic data and operating plans as of the date of this presentation but are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements or industry results to be materially different from those expressed or implied by such forward-looking information. Such factors are based on information currently available to the Company, including information obtained from third-party industry analysts and other third party sources, and are based on management's current expectations regarding future growth, results of operations, future capital (including the amount, nature and sources of funding thereof) and expenditures. The forward-looking information contained in this presentation is expressly qualified by this cautionary statement. A number of risks, uncertainties and other factors could cause actual results to differ materially from the results discussed in the forward-looking information, including, but not limited to, the following: the progression of COVID-19 and its impacts on the Company's ability to operate its assets and business; the severity and duration of the COVID-19 pandemic in all jurisdictions where the Company conducts its business; the nature and extent of government imposed restrictions on travel and business activities and the nature, extent, and applicability of government assistance programs, in both cases related to the COVID-19 pandemic, as applicable in all jurisdictions where the Company conducts its business; the impact of the COVID-19 pandemic on the Company's employees, customers, and suppliers; impact of COVID-19 on the global economy; the Company's ability to implement its strategy or operate its business as the Company currently expects; legislative and regulatory developments; litigation and regulatory actions; the Company's reliance on information technology and telecommunications systems; the Company's ability to execute on the expansion of its digital platform; product demand and market acceptance; the development of supplier and customer relationships; risks associated with reliance on key personnel; control of costs and expenses; lack of cash flow; reliance on financing; general industry and market conditions and growth rates; general economic conditions and levels of economic activity including interest rate and currency exchange rate fluctuation; unfavourable capital market developments; current global financial and political conditions; terrorist attacks and ensuing events; the occurrence of catastrophic events; failure to realize on growth initiatives; degree of competition in the industry; and changes in employee relations. Readers are cautioned that the foregoing list is not exhaustive.

Forward-looking information reflects the Company's current beliefs and is based on information currently available to the Company and on assumptions it believes to be reasonable. In some instances, material factors or assumptions are discussed in this presentation in connection with statements containing forward-looking information. Such material factors and assumptions include, but are not limited to: the impact of the COVID-19 pandemic and ensuing events; the Company's ability to execute on its business plan; the acceptance of the Company's products and services by its customers; the sales opportunities available to the Company; the Company's subjective assessment of the likelihood of success of a sales, partnership or other business opportunity; availability of government subsidies; the continued success of business development activities; new products and services will continue to be added to the Company's business; the demand for our products and services globally will develop and grow; to the extent needed, that additional financing is available; the Canadian and global capital markets; employment levels and consumer spending in the Canadian and global economies; growth rates and inflation rates in the Canadian and global economies; and impacts of regulation and tax laws by the Canadian and provincial governments or their agencies. The forward-looking statements and information in this presentation speak only as of the date of this presentation and the Company assumes no obligation to update or revise such information to reflect new events or circumstances, except as may be required by applicable law.

Although the Company believes that the expectations reflected in the forward-looking statements and information are reasonable, there can be no assurance that such expectations will prove to be correct. Because of the risks, uncertainties and assumptions contained herein, prospective investors should not read forward- looking information as guarantees of future performance or results and should not place undue reliance on forward-looking information. Nothing in this presentation is, or should be relied upon as, a promise or representation as to the future.

Cautionary note regarding future-oriented financial information

To the extent any forward-looking statement in this presentation constitutes "future-oriented financial information" or "financial outlooks" within the meaning of applicable Canadian securities laws, such information is being provided to demonstrate the anticipated market penetration and the reader is cautioned that this information may not be appropriate for any other purpose and the reader should not place undue reliance on such future-oriented financial information and financial outlooks. Future-oriented financial information and financial outlooks, as with forward-looking statements generally, are, without limitation, based on the assumptions and subject to the risks set out above under the heading "Forward-looking Statements". The Company's actual financial position and results of operations may differ materially from management's current expectations and, as a result, the Company's revenue and expenses.
